The North Star CHATHAM, N. B. July 16, 1881. J. E. COLLINS, EDITOR

A POEM. We received the following wonderful production last week and gladly print it. We submit the poem to the masterly prelude of the poem:

I write from Cross Point opposite Campbelltown, Rest gouchie river, Bay Chalea Bonaventure County 12 miles from Metapedia river. Ma Township, Gaspé District, Province of Quebec, Dominion of Canada.

I write to you in a public spirit, hoping to find somewhere press true to the excellent spirit of enlightened christian liberalism. William, Joseph, Casimir Garvey HAY Born 30th June, 1829, Waterford, Ireland

In the Mystic Temple of thought In the Intellectual Temple of the Word, In the Spiritual Temple of the Event, is the Light and Truth and Glory of God made manifest.

COMPOSED 18th MAY, 1881. [FOR THE STAR.] RICHIBUCTO RIVER, KINGSTON, RICHIBUCTO, KENT COUNTY, N. B.

Diamond cut Diamond by mountain river; From the rock to the cloud can pass them for never. Oh distance, what distance to you twining star: There is one by the fireside more distant.

Singing so sweetly little bird on tree; Who sent you hither, and is it for me? Wave on the shore with your ceaseless roar; Coming afar from the depths of the sea. Now raging and wild, now lovely and mild; Who sent you hither and is it for me? Winds, rushing winds that encircle earth; Sunshine and shadow alike all to the Oh tell me if angels from heaven have birth; Or whence do they come and is it for me? Clouds floating above us so glorious and bright; Now blazing with majesty splendour and light; Hail, thunder and lightning revealing thy might; Say is thy mission inspired by love.

Of the one of the many or angels about Thy motive of action the noblest of The right to sustain, the wrong to pall; Then raise up the banner of life, life and truth; To shine o'er the land in the days of youth. Let power then with justice and mercy unite; To save, fetter or slay, in the cause of the right. Rain, dropping rain, let us bless thee giver; In thought and in deed, and in action both; And for ever. While our sons and our stars shine bright and by day, Still lovelier far are our clouds in the way.
