HOLLOWAY'S PILLS

Let no one be longer oppressed with the notion that his malady is incurable. All the purifying Pills have had a fair trial. A dose will remove the more urgent symptoms, and therefore completely control the disordered action, rouse the torpid liver, relieve the obstructed kidneys, cleanse the pure blood, and confer on every function healthful vigour.

Impurities of the Blood.

These wonderful Pills are valued at the humblest hearth as well as in the house of comfort and wealth. They work a thorough purification throughout the whole system without disordering the natural action of any organ, and eradicate those germ complaints which consign tens of thousands to an early grave.

Indigestion, Bilious Complaints and Sick Headache.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. Remember when nausea, flatulency, or acidity on the stomach warns us that digestion is not proceeding properly, the Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile, and sick headache, and effect a permanent cure.

Weakness and Debility.

In cases of debility, languor and nervousness, generated by excess of any kind whether mental or physical, the effects of these Pills is in the highest degree bracing, renovating, and restorative. They drive from the system the morbid causes of disease, re-establish the digestion, regulate the secretions, strengthen the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigour.

Turn of Life and Dropsical Swellings.

The turn of life is the most distressing period in woman's existence; it destroys thousands. The whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain antidote for all these dangers is Holloway's Pills. Armed with them the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaird health. It is but little known that at the so-called "turn of life," man also, when verging on fifty or fifty-five, discovers that his health is considerably deranged and knows not the cause—a critical period in his life. All perils to both sexes are at once removed by recourse to these Pills.

The Kidneys—their Derangements and Cure.

If these Pills be used according to the printed directions, and the Ointment rubbed over the region of the kidneys for at least half an hour at bed-time, as salt is forced into meet, it will penetrate the kidneys and correct any derangement. Should the affliction be stone or gravel, it is particularly recommended that the Ointment, in such cases, be used night and morning, as by its judicious application the most astounding cures may be performed.

Holloway's Pills are the best remedy known in the world for the following diseases:—

The 2s. 6d. contains three, the 5s. 1d. size six, the 11s. size sixteen, the 22s. size thirty-three, and the 33s. size fifty-two times the quantity of a 1s. 1d. Box or Pot.
