Freight will be Received up to 10 a.m. (Saturday), October 10th

## Reid-Newfoundland Company.

### Fishery Gear!

WE ARE MANUFACTURERS of the GILL NETS, used by Messrs. Job Brothers & Co. in the Straits this year. They have been successful at a time when traps had partially failed. We make them in all sizes to order.

WE ARE MANUFACTURERS of COTTON DRIFT NETS, such as are used in the North Sea Herring Fishery. As the catch of Herring will be interfered with during the war, a good opportunity occurs for use of these Nets in Newfoundland.

WE ARE MANUFACTURERS of the celebrated STANDARD brand of Herring Nets, which is universally acknowledged to be the very best Net on the market. We are now making the CRESCENT brand Herring Net, which is the best and strongest LOW PRICED NET MADE. It is mounted just the same as the Standard Net, and it is barked for preservation, not merely dyed like other cheap Nets.

WE ARE MANUFACTURERS of SQUID TRAPS, which are now legal; we make them in any size required, to order.

We manufacture TARRED COTTON LINES, all sizes, for Bankers' use; strong, durable and easily handled.

We make COD TRAPS, COD SEINES, CAPLIN SEINES, ETC., to order, in all sizes.

All the above fishery gear we can strongly recommend, and we would urge our fishermen to patronize articles of home manufacture, in order to give employment, which is so much needed this year.
