Young carrots simmered in butter, with pepper and salt are good, but more people are suited if, after this process, cream or milk with yolks of the universal process, cream or milk with yolks of the universal process.

THE HEART DEPARTMENT

Hungarian Carrots—Peel and cut carrots into pieces one inch and a half in length. Cut these pieces into thin silices, and cut these silices into strips a libitle larger than matches. Boil them in stated water until tender. Drain off the water and add one cup Drain off the water and add one cup of sugar and one-fourth of a cup of vinegar. Cook for fifteen minutes in this mixture and serve.

One girl naively writes me: "I read a great deal about many widows being sympathetic towards men. Now, I cannot draw sympathy in by the heels Flemish Carrots—Scrape and silve and there's no call for it. If there's

onion, cut fine and cook for about The writer of the above missive for-five minutes. Add the drained carrots, gets that there "never was a Jack one teaspoon of sugar, one teaspoon of without a Jill." In other words, this salt, one-fourth of a teaspoon of white means that there is a mate for each heart. The man who passes by Depper, and one cup of good stock. Cover and simmer for half an hour. When ready to serve add one tablespoon of finely chopped parsley.

The man who passes by the single girl for the widow is not intended for her, as she will understand when the right one comes along. Girls should remember that there are men who will only have a fresh heart which by himself alone. The comely young widow will often declare that she ha even the privileges of the single girl Hancock, Mich., Aug. 13 -Working and be equally as circumspect as she and be equally as circumspect as she if a suitor comes awooing. The young girl's courtship is smiled over, no matter how long it takes the couple to make up their minds that they are in love with each other.

If the widow has a beau and their courtship does not terminate in marriage her censors are not as lenient with her as to excuse years of waiting. And thus the widow's position is ofttimes trying.

He "Went Quite Consistently."

talk now with one, then with another, of the interesting people inalling from east, west, north and south; to discuss the quest/ons of the day, to interchange opinions on the problems that puzzle and perplex and agitate the people at the present time is one of the treats it affords the sociably inclined.

To make the time pass pleasantly and profitably for all the motiey family gathered there; to arrange and pan for excursions and entertainments, to see that all the machinery is well olied and in good running condition; to look after the one thousand and one details of management is what the summer's camp means to the able and enterprising director and his staff of devoted and efficient helpers.

To sit on the snow field, drinking in the beauty of cloud effect in the say, while the sun sheels its glory on the dozen or more glacial peaks which rise above the horizon in colorine area.
