Today's session opened laggy, but, taken altogether, it was quite an ac-There were a number of

Chickens and ducks were steady. Geese sold slow. Turkeys came forward in great numbers, and they sold much slower than on Tuesday, the price paid ranging from 8c to 9c: 8c was mostly paid, but some lots sold at 71/2c; demand limited.

Meats were all steady, but dressed hogs, which took a drop of 25c per cwt; \$4 50 to \$5 was paid for heavy and fat, and \$5 50 to \$5 75 for light select stock; demand steady.

Apples were steady and unchanged. Potatoes sold at 75c to 85c as a rule. A small lot of red clover seed offered; the highest bid obtainable was \$3. The quality was not very good. The seed was withdrawn, the owner refusing to sell at the price. Hay as abundant, and sold slow at

ALARMING!

The frequency of Heart Troubles gives Collingwood people no need for alarm. Its ravages can be stopped.

"For a number of years," says Mrs. J. W. Gardiner, Napier St., Collingwood, Ont., "I have been afflicted with nervousness and weakness of the heart. The symptoms constantly became more distressing

and alarming as the disease advanced. I had violent palpitation and fluttering of the heart which naturally made me weak. My sleep was disturbed with frightful dreams and my mind wandered at night. In addition to this my blood was much impoverished, causing sleeplessness and fatigue. I became thin and lacked bodily vigor. Dizziness and weak eyesight, blurred vision, etc., added to my distress, and at times I found it difficult to breathe after slight exertion and felt always tired

and weary.

"At Mr. Carpenter's drug store I got a
box of Milburn's Heart and Nerve Pills in March last, and from that time began to get better and gain in strength and weight. By their remarkable tonic action they brought my entire system to health and strength again, gave me restful, refreshing sleep, enriched my blood and restored vitality, and in every way conferred great benefit upon me. I cannot say too much in favor of this great medicine as a tonic for all forms of physical weakness caused by wrong action of the heart or nerves."

American Markets. changes in prices.

Wheat opened weak-looking, but soon rallied, and the bulk of sales were made at old prices, \$1 36 to \$1 38 being the general figures.

Oats declined 2c per 100 lbs, influenced by lower prices outside; 72c to 74c was the range; 73c was the price for standard oats.

Peas brought 75c, buckwheat 60c, and rye 65c to 70c; demand for all three good.

Hand-picked medium beans of extra good quality sold at 60c; prime beans are 50c, and uncleaned 40c.

Eggs and butter show no change.

Chickens are declarated and control of the control of

A Californian saved his neck from SEVEN MEN FELL DEAD

Maplesville, Ala., Dec. 2.—Seven men are dead and seventeen more are not expected to live from the result of drinking a mixture of wood alcohol and

cheap whisky. A gallon and a half of wood alcohol was bought in Selma, Ala., by William Anderson and J. L. Jones. They diluted it and retailed it to farmers and laborers on the Mobile and Ohio extension, which is in process of construction through this place.

A great number of farmers and rail-road hands bought some of the mixture, and immediately after drinking the concoction were taken violently ill, and one after another fell dead. No physician was at hand, and many of them died before any attention could be given them. The alcohol was labeled "for mixing paint." Anderson and his partner, J.

who'esale agents. Avoid substitutes.
