Supplies of meat, eggs and other staples were of normal size. Quotations

Free State Government Moved to Kroonstadt.

Lady Roberts Made the Flag That Flies Over Bloemfontein.

Little Opposition Made to the Entry of the British Troops-Next Fighting May Be in Natal.

London, March 15 .- At precisely 1:30 o'clock, Tuesday afternoon, a Union Jack, specially made for this purpose by Lady Roberts, was hoisted over the presidency at Bloemfontein amidst the acclamations of the commander-inchief's battalions, in which, curiously enough, the Orange Free State burghers appear to have joined with remarkable heartiness. The opposition to the entry of the British troops into the capital was insignificant. Boers were found occupying a few hills south of the place, but a few shells drove then off, and at 10 in the morning some newspaper correspondents who entered the town, found Mr. Fraser and other officials, and guided them to where Lord Roberts stood on top of a hill, waiting for them.

As spokesman, Mr. Fraser asked protection for life and property, and surrendered the keys. Lord Roberts, ac-companied by his staff, rode at the head of

A CAVALCADE A MILE LONG to the presidency, receiving an ovation throughout the route. culminating in a remarkable demonstration at the mar-ket square. Reaching the government buildings, Lord Roberts took posses-sion of the city in the name of the Queen, and then repaired to the presidency, where the ceremony of hoisting the Union Jack ended forever (according to opinion here) the Boer Government of the Free State. During his progress through the town

Lord Roberts stopped and ordered the instant replacement of goods which were being looted from the artillery barracks by Kaffirs, thus giving the populace an idea of the treatment they might expect from the victors. PRESIDTNT STEYN SKIPPED.

President Steyn fled to Kroonstadt without replying to Lord Roberts' demand for his surrender, and the commander-in-chief remarked afterwards, during the course of conversation, while breakfasting at the farm of President Steyn's brother that the expresident had "become a nonentity." The British troops, with the exception of those necessary to police the town, remain outside.

firemen. Their work obliges them to risk and often to sacrifice their lives in the most unselfish way.

firemen. That is why so many gallant fire laddies are compelled to retire while still young men. Lumbago cripples them, weakens

them, and unfits them for hard work. Dodd's Kidney Pills are a specific for the positive and absolute cure of Lumbago.

Dodd's Kidney Pills drive Lumbago out of the system entirely, by strength-ening and stimulating the kidneys. Then the kidneys provide pure, rich blood for the nourishment of the body. Dodd's Kidney Pills make the Kidneys filter Lumbago out of the blood. That is how and why they cure the

disease so completely. Capt. T. Mangen, of No. 9 Fire Station, this town, says: "I suffered hor-rible torture from Lumbago and Kidney troubles, till my doctor advised me to
