Pinto, Big Hurler, Goes Six  
Frames On 2 Hits Against  
Own Mates; Gets DoubleStutz, Third Sacker, Puts  
Comedy Work On Pinto and  
Has Buzz Forgetting To  
Call Strikes—Shay and  
Malmquest Not in Yet.

DELAWARE, Ohio, April 12.—London Canadians went seven rounds with the college lads this afternoon, and a tilt that finished in an 8-to-2 climax, with the Teumseh crowd hanging on the heavy end. The game proved more interesting than any yet, but will be a marked touch of practice in it, but it does well for a training camp. While the major leagues were parading in celebration of the season's opening, Buzz, Wetzel's champs were getting a good drilling.

Rookie Pinto, who continues to show as a probable staff man for Wetzel, was loaned to this university nine, and was given a good try-out by his own teammates. He stood the test well, and allowed but two hits during his six innings. Randy, a student, was given a try at facing the hard-hitting Canadians, but he allowed five hits and four runs in the last frame.

New Hurler Shaved In. Erickson, an Erie, Pa. aspirant who arrived today, was shoved in the box the first inning. He worked good during three innings, but with some of the other material that is being high, it has not been decided that this new man will stick.

He was followed by Hillier, the lad who sneaked away some time between night and day break Sunday. He hurled the ball two rounds and stood the gaff in fine shape. Lambert, the youngster who reported Tuesday, delivered the other two innings. He was going strong, but his Pinto got to him once, and snatched a hot one that went sailing to the garden. Critchlow, who was performing in the neighborhood, grabbed the horseshoe, and allowed the big fellow but two sacks. Ordinarily the runner would have been as far as third at least, but the popular Critz was too fast for the speed of Pinto.

The feature of the contest this afternoon was the comedy stuff pulled off by this boy Stutz, who will undoubtedly make a hit with the league fans this year through his "hot-dogs" and capering around. He had Pinto so flustered in one frame today, when he got on by a safety, the big fellow hardly knew where to pitch the ball. Stutz drew a walk from Buzz, who was umpiring the fight today. When a bird can do that he is some clown. The kid brought the bleachers of students to their feet many times with his jesting.

Kuhn was in uniform today and worked during the morning, but he did not perform in the fracas this afternoon. The only veterans who have not reported as yet, and who will be here, are Shay, Malmquest, Scroggie and Powkies. Cal Calbert has not been heard from directly, but he is also expected some time soon. It may be, however, Wetzel said today, that he will join the club somewhere on its way north.

McCallum Cup Trustees  
Order Return of TrophyUphold Protest Against Ferris  
of Selak Team, Present  
Holders of Silverware.

The trustees of the McCallum trophy in Toronto have ordered the cup returned to the trustees of the Queen City club in by the Glidden Varnish vs. against Selaks, the present holders.

Tom Ferris was protested as ineligible by the Toronto team's management, and the trustees of the cup have decided the protest in favor of the Queen City crew.

Much correspondence has passed between the local and Toronto trustees, culminating in a demand for the return of the cup to Toronto.

Ferris was released by Hyman on January 8, and signed on by Selaks on the same night. He decided a protest against the London Bowling Association, a player is still liable for recall by the club from which he draws his release, any time within thirty days for any reason.

Ferris was recalled by Hyman in the meantime changed to the Arcadians, for a game with St. Kitt's trundlers on January 15. This nullified his first release, and made a second one necessary.

Under McCallum cup rules, Ferris would not be eligible for 30 days after signing on with a new club, therefore he was ineligible to play for the London club until March 15, so that as far as that rule goes Ferris was apparently eligible by a clear margin.

In the last letter to the local club the claim is made that no proof exists of the second release of Ferris and his second signature to a Selak contract, but this is not in accord with the facts of the case.

A "sporting proposition" was offered in one of the letters to the effect that the protesting team were willing to have the Londoners take the cup to Toronto where and they would bowl them again, with Ferris barred. This seems rather an illogical proceeding, as barring Ferris doesn't necessarily prove his ineligibility.

Unless the Toronto people want to take advantage of a rule that says that the "trustees may object to players of any team," as some other such technicality, it looks as if the matter is coming on thin air.

**BOTH BASEBALL AND LACROSSE GOING STRONG ON ST. MARYS FLATS**

St. Marys, April 12.—Every evening now the flats are occupied by lacrosse and baseball teams, which present indications point to being the finest aggregations that ever came out of St. Marys. It is understood the junior lacrosse team is hoping for an invitation away on May 24. They were counting on playing at home that day, but were unable to secure the grounds. The G. W. V. A. baseball team is showing up fine and are eager for the fray. The South Perth League will be organized this week, and teams will this year participate from Kirkton, Mitchell, Granton, Fullerton and St. Marys, so the whole town is promised some real live games this season.

Church There.

GALT, April 12.—While this city has held a prominent place on sport map for the past half century, an active participant in all lines of sport and holder of the world's championships in football and canoeing, besides local honors in other branches, there was never a greater gathering held to pay honor to the conquering heroes than that held tonight in the G. W. V. A. Memorial Hall, where over 300 citizens, men of all classes in the community, manufacturers, businessmen, mechanics and laborers, assembled to show their appreciation of the good work of Galt's intermediate hockey team during the past winter, when they brought to this city its first O. H. A. championship and placed Galt on the hockey map. The gathering was favored with some of the most prominent men in sport in Ontario today, including Mayor Thomas Church, P. J. Mulqueen, Toronto; President A. E. Copeland, Midland; Secretary W. A. Hewitt, Sheriff Paxton, each president of the O. H. A. The following members of the executive, R. B. Butler, Lindsay; W. A. Fry, Dunnville; and G. McKay, Kitchener; Bruce West, manager of the Toronto Varsity champions, and C. Soody, Toronto; Mayor S. E. Charlton and members of the Galt City Council were invited as guests.

**Present Cup.**  
President A. E. Copeland, in behalf of the O. H. A., presented the John Ross Robertson cup, emblematic of the intermediate championship, to President W. W. Wilkins, who, in replying to the fact, referred to the showing made by the Galt team under trying circumstances, with two of its regular players lost to the team in the game after they won their group, and to the fact before meeting Sault Ste. Marie in the Allen cup final, they had played six games in ten days. President Copeland, then presented each player of the team with an O. H. A. medal. The G. A. A. A., as an appreciation of the good work of the players and the honor they had brought to the organization and Galt through President Wilkins presented each player with a handsome gold watch, suitably engraved and a group photograph of the team, while to Herb Carter, chairman of the hockey committee, a watch was also presented. Secretary W. A. Smith, treasurer; J. W. Scott and the representative of the local newspaper also received gifts of appreciation. Players also received a gold watch, and a group photograph of the Galt team's victory and now general manager of the G. A. A. A., the recipient of a gold watch suitably engraved and chain.

BILL "LAVELLE" TO CAPTAIN  
ST. MARYS LACROSSE TEAMLots of Material at Home This Year,  
Hence No Imports.

St. Marys, April 12.—Lacrosse is humming in the stone town once more. A very enthusiastic organization meeting was held last evening by the inter-collegiate team and the following officers appointed: Hon. president, John Lind; president, F. C. Stone; vice-president, A. Ball; secretary-treasurer, Dr. Page; captain, "Bill" Lavelle; managing committee, Mulvey Cowan and Len Wilson.

No outside players will be brought to this year as there is sufficient material at home. The management, after discussing this matter fully last evening, decided that it would be a foolish move on their part to go outside for players when it was unnecessary, and will this year watch her intermediate O. A. L. team with more than usual interest.

## PIRATES FAIL TO RALLY.

CINCINNATI, April 12.—Cincinnati defeated Pittsburgh today, 5 to 3, before the largest crowd that ever witnessed an opening game in Cincinnati. The Reds scored four runs in the eighth inning by bunching hits, and Pittsburgh started a batting rally in the ninth after two were out and scored two runs. Luque was hit hard throughout, but was saved by his support when runners were on base.

## KELLY'S HOMER WON.

PHILADELPHIA, April 12.—Kelly's home run with Frisch on first base decided an eleven-inning struggle in favor of New York here today, 10 to 5. Each team had one big inning. Philadelphia taking the lead in the fourth, but losing it in the seventh, when New York batted Frisch out of the box. The pair of local heroes tied in their half, and Betts held New York safe until the eleventh.

The usual opening day ceremonies were indulged in, marking the debut of William Donovan as the Phillies' pitcher.

## EVERS COPS FIRST.

CHICAGO, April 12.—The Chicago Nationals, with Grover Cleveland Alexander pitching, ushered in the major league season here today with a 5 to 2 victory over St. Louis. It was the first opening game Alexander has been credited with since he joined the Cubs. Haines weakened and was pounded for five hits in the fourth inning, one of which was a home run drive over the right field wall by O'Farrell. More than twenty thousand persons were present, despite the chilly air and an overcast sky, the crowd overflowing into the streets.

Numerous gifts of flowers and a loving cup were presented to Manager Johnny Evers.

## Junior and Senior Soccer

Schedules Clash At Sarnia

SARNIA, April 12.—Unless something is done between now and Saturday in the rearrangement of the Junior and senior soccer schedules there is going to be a jam when it comes to playing the games that is going to take some figuring out to solve.

## The London lacrosse squad will

get down to work next week if this weather keeps up. Road work for the first week is on the program this year, instead of starting right in with the sticks, and it should be a successful way of initiating the outfit to their conditioning. A meeting will be held next week to get final details of the season settled, such as showers, a trainer and arrangements for practices at Tecumseh Park.

Some prospects.  
London already has a good defence in sight, but whether there are any real home stars remains to be seen when the squad gets down to real work. There never has been as much lacrosse material as there is at the present time in London. It is touted as sure fire high class.

The two Hodgins boys, who played with Mike Collins, finalists in 1915, are back in the city, and will turn out as soon as the outfit gets down to work. There are two ex-Huron Oaks from Wingham; Dickson and Spearman, former Owen Sounders, the former rated as one of the best defence men in the game, and a lot of local material that just needs some experience distributed through them to make a really formidable line.

By way the game is coming back in all Western Ontario cities and towns, is a sure sign that lacrosse has returned to make a permanent place for itself again amongst the summer sports. The game has been brought to London's gates practically this year, with every surrounding city and town boasting a lacrosse team. The Londoners have a solid footing in London won't be such an isolated attempt as it has been in past seasons.

Chatham is anxious to arrange a game with the London team for May 24, and, as far as is known at present, will be accommodated. Chatham has gone in strong for the once national pastime this season, and is reported to have some good talent under cover down there. It would be a good test for the local team, and definite answer will be given to the question during the course of next week.

IMPROVEMENTS FOR  
M.A.A.A. MEET WILL  
BE FORTHCOMINGMeeting Last Night Brought  
Out Many Good  
Suggestions.

Organization plans were completed by the "Manufacturers' Amateur Athletic Association" for the 1921 field day and modified marathon, which will be held at Queen's Park on June 18, at a meeting of the representatives of the various manufacturing concerns, held in the Young Men's Christian Association last evening.

Creditable suggestions which will undoubtedly assist the officers in improving the meet were made by the delegates, and present indications are that the meet this coming year will be a record one. Industrial men and athletes in all parts of the province have become keenly interested in the annual affair held by the M. A. A. A. M. Morrow, president of the Grand Trunk Amateur Athletic Association was chosen as first vice-president of the association for the ensuing year. F. H. Westbury, McClary Manufacturing Co. was re-elected treasurer. W. P. Mitchell, Richard-Wilcox Co., was elected second vice-president.

**Relay Race.**  
It was proposed that an invitation relay race be held for the students of the collegiate and technical school. If this suggestion is adopted by the committee the teams will be composed of eight boys, and the distance will be one mile.

Competitions for junior employees of the factories was also one of the many plans dealt with by the delegates. Events for girls may also be arranged, and it is expected that novelty events for men over 35 to 50 years of age, will be included on the sports program.

It was decided to hold the next meeting at the Y. M. C. A. next Wednesday night at 8.30 o'clock, when further details will be worked out by the members of the association.

The following committees were appointed last evening, and additions may be made to the committees later.  
Sports Committee—F. J. McElaie, Scott Chamberlain Co. chairman; L. A. Betts, G. Summers, Ken Robinson, W. P. Mitchell, C. B. Partridge.  
Princing and Publicity Committee—Ald. George Wempe, chairman; H. Richmond.

Grounds and Equipment Committee—Fred Delaney, McClary Manufacturing Co. chairman; F. Burton.  
Finance Committee—Fred St. Lawrence, D. S. Perrin Co. chairman; H. B. Ashplant.

If you want a good attendance at your meeting let Advertiser readers know when it is going to be. The rate is 2c per word or 15c per line.

## BOXING

Why not have boxing classes for boys in the public schools of this country?

A few of the big colleges have taken it up, and with success, but little encouragement has been given to the suggestions that the public schools and some high schools take it up and teach the boys how to box. A few years ago, or during the war, R. L. "Snow" Baker, manager of the big stadium in Sydney, where all the big boxing matches are held, took it upon himself to establish boxing classes for all schools as a preliminary to training the young men for the army. It was very successful and many of the schools took it up as a regular course for the boys. The department of education in Sydney, Australia, made the following report regarding the progress made with boxing in the schools:

"The schools for the teaching of boxing in schools introduced by the minister for education, Mr. Nutch, under the supervision of Hector Melville, has met with tremendous success during the period it has been on trial. Reports to and from the various headquarters of schools where the scheme has been introduced speak very highly of Mr. Melville's system, and are of a most congratulatory nature."

"The headquarters claim that the system has developed in the pupils a keener perception, a greater energy, and, generally speaking, a decided improvement, both mentally and physically. The reports also claim that the boys learn to control their tempers and show a good sporty feeling towards their school fellows. Opinions are held by parents and others for and against boxing."

"It was recognized by the minister when properly handled, schoolmasters who, at the inception of this scheme, held the opinion that boxing was not desirable, have now altered their views entirely, and have nothing but the highest terms of praise for it. This in a short period during which the system has been on trial. Mr. Melville intends submitting this new scheme for organization throughout the state for the current year for ministerial approval."

Johnny Kibane is coming to New York at last to cast his title into the ring for those ambitious youngsters to take a shot at.

John has coveted that pennant as champion of the feathers for many years and no one ever seemed quite good enough to relieve him of it. John has not flaunted his laurels here since the new Walker law went in with its provision governing titles and decisions, however, and many thought that the Cleveland lad decided to stay away from these quarters and nurse his championship a little while longer.

Now we are to have Jonathan, championship and all, in a 12-round struggle to take place next month. The champion's opponent will probably be Sammy Siegel, the rough little east sider, who has been coming along pretty fast.

No definite date has been set, but

It is believed that May 2 will be the selection.

"Moving day" is approaching for Jack Johnson and the former heavyweight champion of the world has a busy program outlined ahead of him the day he steps forth a free man from the federal prison here.

Johnson's sentence of a year and a day does not expire until July 5, but he expects to secure a parole within a week, according to his manager, Elmer Tenley, of New York, who is directing the effort to secure the colored pugilist's early release.

Johnson has received vaudeville and motion picture offers, his manager stated today, adding that he will not pass them up either. Tenley also said that Johnson has been offered \$36,000 to meet Carpenter, the French champion in Paris, in September and has another offer with a fat purse attached if he will meet Harry Williams, colored heavyweight champion at the ball park, Jersey City, N. J., late this summer.

The former colored champion has been training constantly while in prison and now weighs 214 pounds. When he fought Jess Willard he weighed 219 pounds.

INGERSOLL BOWLERS' DRIVE

INGERSOLL, April 12.—The committee which is in charge of the Lawn Bowling Club membership drive today reported splendid progress. It is hoped that before the end of the drive the membership will be 100.

CUB CATCHER MAKES  
FIRST HOMER OF 1921

CHICAGO, April 12.—Catcher Bob O'Farrell of the Chicago Nationals made the first home run of the major league season today, when he drove the ball over the right field fence, scoring a man ahead of him. The homer was scored off Haines of St. Louis in the fourth inning of the opening game.

17-10 Score Gave Scotch Lassies Edge Against the Western Co-Eds.

In a fast and exciting game of basketball played at the Western Y. gym before a large crowd last night the Thistles, winners of the industrial section of the Y. W. C. A. City Basketball League, disposed of the Western University team, winners of the inter-collegiate section, by the score of 17 to 10.

The score at the end of the first period was 7 to 2, and at the end of the second period, 12 to 8.

For the winners Miss R. Curnoe was the star, netting nine points, while Miss A. Hazlegrove was a close second, with six points to her credit. For the Western team Miss J. Walker was the shining light, scoring 8 out of the 10 points they made.

The line-up was as follows:

Thistles—R. Curnoe, 9; Forward—H. Baker, 9; L. Milne, 2; Forward—J. Walker, 8; Hazlegrove, 6; Centre—E. Anderson, 0; H. Hazlegrove, 0; Defence—J. James, 0; H. Wilson, 0; Defence—G. Williams, 0; Defence—K. White, 2.
