THE PRESBYTERIAN RECORD.

This monthly missionary Periodical, which is to supersede the four Records of the four Churches forming "The Presbyterian Church in Canada," will be issued at Montreal, so as to be delivered throughout the chief portions of the Dominion, on or shortly after January first.

Its low price in quantities brings it within the reach of everybody. Ten copies for \$2.50, 20 for \$5 and so on, 100 for \$25. Justly there might be a larger charge for the smaller parcels, but for the encouragement of small charges, and settlements, and portions of congregations, we understand that even as low as 10, the smaller rate will be accepted.

The news from the missionaries who have gone from the Lower Provinces, will have full justice and place, and large orders should be forwarded from the Lower Provinces, with the cash, at once, to James Croil, Esq., 210 St. James' St., Montreal.

N. B.—The 10 or 50 copies must be to one address.

EXTRACT FROM PROSPECTUS FOR 1876.

The publication of the "Sabbath School Presbyterian" will be continued during the coming year. Efforts will be made to improve the letter-press; more illustrations will be given; and new music more frequently inserted. Dr. Fraser, of Formosa, has promised to continue his interesting letters to the young people; and it is confidently expected that the Rev. Fraser Campbell, of Halifax, N. S., who intends (D. V.), going out to India as a missionary of our Church, will also contribute from that far-distant field.

The publisher has been furnished with the names of missionaries in New Hebrides and Trinidad, so that correspondence from these mission fields may also be furnished after a time. The last No. contains a letter to children, from Dr. Fraser, written from Tamsui, Formosa, China.

The Treasurer acknowledges the receipt of the following contributions to the schemes of the Church for the past month:
