moral tenovation; and to create and cherish a public sentiment, faith, and practice consonant with Christ's own Gospel, let Sabbath schools, Bibles and Bible classes, pastors and teachers be multiplied, till the knowledge of the Lord shall cover the land, and His saving bealth be

made known to all the people.

Time the work of Ireland's reformation, already so anspiciously begun. will go enward and onward mill, accompanied by fervent prayer, stronghened by unbounded generosity, and followed by uncoasing, colarged, and glorious outpourings of the Holy Spirit of God: nor will the triumphant Joses draw back Itis arm till He has perfectly fulfilled His word: "Hehold I I make all things new."

The simple statement of facts thus given is sufficient to prove that Ireland is at present a most interesting and hopeful field. The Evangelical Allianco has peculiar facilities for cultivating it; agents worthy of all confidence can easily be procured, and Christians who have already given much, and who are still ready for this and every good work, will have reason to rejoica in the results of their contributions and their prayors. The spheres of usefulness which God has opened, and the sme-cess which he has given, while prompting gratitude and enlarged liber ality, cherished the confident hope that even in Ireland the desert and solliary place shall yet be glad; that the glory of Lebanon shall be given to bleak Erris and bare Connemara; that Joice's country and the shores of Longh Mack and Longh Corrib shall have the excellency of Carmel and Sharon, and that the barren cliffs of the lonely Killeries shall blo abundantly and rejoice even with joy and singing, when they shall see the glory of the Lord and the excellency of our God.

Drop down yo heavens from above, and let the skies pour down rightconsecse; let the earth open and let them bring forth salvation, and let

righteousness spring up together !

CALL.-Mr. Gilbert Tweedie, preacher, has received unanimous Calle from the congregations of Lindsay and Verulam. The Mariposa congregation joins with them for part of Mr. Tweedie's services.

Exity.—Three years have now elapsed since the Rev. John Ewing was inducted pastor of this Church. It then numbered about 100 members. Since then nearly 60 members have been added. The sum paid annually as stipend, before Mr. Ewing's induction, was £65, but since, it has yearly increased, and the congregation is now self-supporting.-Missionary meetings, by appointment of Presbytery, were held in the Church, in the Manvers branch of the congregation, last month, and good collections taken up. A vigorous spirit seems to pervade the membership. A beautiful new Church has been built, which will soon he ready for public worship .- Com.
