

IT ISN'T EASY

To apologize.
 To take advice.
 To be unselfish.
 To be charitable.
 To endure success.
 To admit mistakes.
 To obey conscience.
 To forgive and forget.
 To think and then act.
 To be content with little.
 To accept just rebukes gracefully.
 To value character above reputation.

To discriminate between sham and real.

But it pays!

You could enjoy yourself for a nice meal
 and a cup of real American Coffee.
