**It Made Mother Strong**

"My mother has been using PAIN'S CELERY COMPOUND for nervous prostration, accompanied by melancholia, etc., and it has done her a world of good. It is the only medicine that strengthens the nerves."  
G. H. BEERS, Orbisonia, Pa.

46/52 Paine's Celery Compound

Strengthens and builds up the old, and cures their infirmities. Rheumatism, indigestion and nervousness yield quickly to the curative power of Paine's Celery Compound.

A Perfect Tonic and Invigorator, it GIVES NEW LIFE.

"I am now 69 years old and have tried several remedies, but none had any effect until I used Paine's Celery Compound. I feel entirely different for the short time I have used it. I can walk nearly straight, sleep sound and well, and feel as though there was new life and energy coming into my whole system."  
H. MYLIUS, Cleveland, Tenn.

Paine's Celery Compound is of unequalled value to women. It strengthens the nerves, regulates the kidneys, and has wonderful power in curing the painful diseases with which women so often silently suffer.

\$1 per bottle. Six for \$5. At Druggists. WELLS, RICHARDSON & CO MONTREAL.

**CATARRH.**  
A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of one cent in stamps. The address is A. H. Dixon & Son, 808 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

**Household Hints.**  
If meat bakes too fast, cover with buttered paper.  
AFTER a too hearty dinner, if you feel dull and heavy, try a dose of Campbell's Cathartic Compound.  
BOIL coffee in a salt sack; this is better than egg for settling the coffee.  
Best cure for colds, coughs, consumption is the old Vegetable Pulmonary Balsam. Cutler Bros. & Co., Boston. For \$1 a large bottle sent prepaid.  
SCALLOPED FISH.—One cold boiled fish flaked in small pieces. Boil to a custard one pint of milk, three eggs, three tablespoonsful of butter, and one tablespoonful of cornstarch. Mix with the fish and bake in a dish in the oven half an hour.  
THE best cough medicine we know of is Allen's Lung Balsam.

**QUICK PUDDING.**—Two table-spoonsful of cornstarch, yolks of four eggs, one-half cup of sugar. Mix and pour over one quart of boiling milk, stir quickly, take off from the fire and pour into a pudding dish; beat whites of eggs to a froth, and pour on the top; brown in the oven.

Do tell me the name of that delightful perfume you use. With pleasure. It is the "Lotus of the Nile."  
CHERRY TAPIOCA.—One and one-half pounds of sour cherries, one cup of tapioca, sugar to taste. Wash the tapioca through several waters, then cover with cold water and soak overnight. In the morning put it on the fire with one pint or boiling water, simmer slowly until the tapioca is perfectly clear. Stone the cherries, stir them into the dish into which they are to be served, and stand away to cool. Serve very cold, with sugar and cream.  
Minard's Lintment cures garget in cows.

**SCALLOPED EGGS.**—Boil eight eggs until they are hard; let them get quite cold, but do not put them in water to cool them; take them out of the shells and slice them; butter a baking dish, and sprinkle cracker crumbs over the bottom; put on this a layer of egg, and over in sprinkle pepper, salt, lumps of butter, and a few tablespoonsful of cream; add another layer of crumbs, then of eggs and seasonings till all are used up. Over all sprinkle cracker crumbs and a little grated cheese. Bake until it is a bright brown and serve at once.

**AN INTERESTING REPORT.**  
The Inland Revenue Department has recently issued a bulletin of about thirty pages, which is devoted exclusively to the subject of baking powder, and which shows that a majority of the goods in the market are adulterated and unfit for use. Professor A. McGill, who has had charge of this important work for the Government, says that "imperial baking powder is an excellent powder." A word to the sensible housekeeper should be sufficient.

**A LA POULETTE.**—Fry a little flour light brown, with butter or dripping, add to it some cold meat (veal or beef are best for this dish) finely minced, moisten with water, add chopped parsley, pepper and salt, simmer ten minutes, take off the fire, thicken with one or two eggs (using the yolks only), according to the quantity of meat.  
THE Favourite Malignant with all classes—Perry Duff's Pain-Killer.  
BEATING QUILTS.—If quilts are folded or rolled tightly after washing, then beaten with a rolling-pin or potato masher, it lightens up the cotton and makes them soft and new.

**FOR HEADACHE.**  
Use Horsford's Acid Phosphate.  
Dr. I. R. SANFORD, Sheffield, Mass., says: "Most excellent in derangements of the nervous system, such as headache and sleeplessness."  
COLD MEAT COOKED.—Cut two large onions in slices; fry them in butter or dripping until they are gold-colour. Dredge flour over them, add three quarters of a pint of broth, and some pepper and salt. Stew half an hour; cut cold meat in slices, put it in the gravy, stew gently half an hour, then add half a teaspoonful of vinegar and serve.

A LARGE Volume would not contain the mass of testimony which has accumulated in favour of Dr. WISTAR'S BALSAM OF WILD CHERRY, as a safe, efficient and reliable remedy in curing coughs, colds and pulmonary disease. Many of the cures are truly wonderful.

**MOTHS AND FLIES.**—It is said that a piece of cloth saturated with turpentine and hung in a closet where there are moths or in a room where flies are troublesome, will kill the moth-miller and banish the flies. Twenty drops of carbolic acid evaporated from a ho. shovel will go far to banish flies from the room, while a bit of camphor gum the size of a walnut held over a lamp if it is consumed will do the same for the active mosquito.
