BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the line properties of well-selected a carroit application of the line properties of well-selected Cocoa, Mr. Sppe has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy dectors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built ap until strong enough to resist every tendency to disease. up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Cvoil Service Gazette. Made simply with boiling water or milk.
