THE CHURCH OF THE HOLY INNOCENTS, IN ALBANY, 'A HOUSE OF PRAYER FOR ALL PEOPLE; Was erected by a Childless Man, as the Memorial of his Four Dear Children.

In the Chancel is a mural tablet of the purest marble, with the simple record of their names and deaths, in four compartments, surrounded and separated by an exquisite wreath of lilies of the valley, the leaves and flowers together—the design of a young saint, the wife of the architect, who came from a northern climate, to find with us an early grave. At the foot of the tablet a lamb is sleeping on the cross.

'Behold, the lilies, how they grow.' "Of such is the Kingdom of God."

Sweet lilies of the valley, ye have been, From earliest childhood, my instinctive joy; And still, to meet you in the early spring, My spirit leaps, as light as when a boy: The bells that seem to tinkle with perfume, And spring so jauntily from those broad leaves, The purest white, upon the deepest green, That tricksome spring in her embroidery weaves.

I've twined you on the breast of blushing bride, And strowed you on the bier of coffin'd child; Till love grew fragrant with a new delight, And childless sorrow kissed the rod, and smiled. But here, within this still and sacred aisle, Ye charm anew my meditative heart: Where mimic nature in the marble blooms, And buried beauty lends a grace to art.

Four lovely children glide into the grave: A childless father bends beneath the rod: He makes their monument, a house of prayer: The gold he meant for them he gives to God, Upon a tablet of the purest white, Entwreathed with lilies, he records his loss: Their innocence he emblems with his faith: A lamb, recumbent, sleeps upon the cross.

HEALTH FOR A SHILLING!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a letter from Mr. John Lloyd of Erusken, near Harlech, Merionethshire.

To Professor HOLLOWAY.

SIR.—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills. I tried them without delay; and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper. I am, sir, your obedient Servant.

MIRACULOUS CURE OF DROPSY

Extract of a Letter from Edward Rowley, Esq of Ind a Walk, Tobago, dated April 8th, 1852

To Professor HOLLOWAY.

DEAR SIR—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, DROPSY, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy and notwithstanding all I had undergone, this miraculous medicine cured me by the course of six weeks.

INFALLIBLE CURE OF A STOMACH COMPLAINT WITH INDIGESTION AND VIOLENT HEAD-ACHES:

Extract of a Letter from Mr. S. Gowen, Chemist, of Clifton near Bristol, dated July 14th, 1852.

To Professor HOLLOWAY.

DEAR SIR—I am requested by a Lady named Thomas just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach. Indigestion, loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last, she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she presses me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED

Copy of a Letter from Mr. Bostock, Druggist, of Ashton under Lyne, dated July 31, 1852.

To Professor HOLLOWAY.

DEAR SIR—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smelt of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health. I remain, dear Sir, yours faithfully.

(Signed) WILLIAM BOSTOCK.
