SELECTED FOR THE CHURCH TIMES.

Mr. Editor.—The following touching lines, taken from an old copy of the *Albion*, will call to mind one of those instances of shocking barbarity for which the atrocity of the North has been ever celebrated.—Who doubts that the retributive hand of Divine Justice has been instrumental in those reverses which the Czar has met with since the commencement of his present unholty enterprise? And who can deny that the true policy of our nation is to keep the sword unsheathed, until "debit Deus his quoque finem;"—until the power of Russia being "cabin'd, cribbed, confin'd," "a material guarantee" may be obtained for the peace of Europe and the interests of humanity?  
(Extract of a Letter from Cracow, January, 1832.)

"The young and heroic Prince Roman Sangusko had been condemned to be banished to Siberia to work in the mines. His parents, after sacrificing several millions to save him, entirely depended on the magnanimity of the monarch. Eventually, the sentence was submitted to the approbation of the Autocrat, on the very day of the fête. Will it be believed? He had the barbarity to add at the end of the sentence of condemnation and in his own hand, 'on foot.' The journey is one thousand French leagues."

THE BANISHED POLE.

PRINCE "ROMAN SANGUSKO" RECENTLY CONDEMNED BY THE PRESENT EMPEROR OF RUSSIA TO WORK IN THE MINES OF SIBERIA, HIS ONLY CRIME *Patrimism!*

BY MRS. WILLIAM MARSHALL.

'Tis done, "Sangusko," fare thee well!  
The fatal die is cast,  
Herold Prince, a long farewell,  
The exile's hope is past!  
Extends no hand to loose his chain?  
No mercy to the Pole?  
Alone "on foot" he drags with pain,  
The iron pierce his soul!  
"Roman Sangusko," fare thee well,  
Go where thou wilt thy soul is free!  
Full hearts are bleeding—burning tears  
Flow fast for thee! flow fast for thee!

The mandate Heav'n condemns, forbear!  
See where the sword of flame  
To mercy points! a mother's tear  
Drops o'er the captive's name.  
There is a hand can free the Pole  
E'en from his living tomb!  
Can draw the iron from his soul!  
And send the wand'rer home:  
"Roman Sangusko," fare thee well,  
Farewell and oh! God set thee free,  
Full many a heart puts up a prayer  
For thee! for thee! a prayer, for thee!

Turn! mighty Czar. Too rash the blow!  
As thou wouldst be forgiven,  
That clemency extend below  
Thyself wouldst meet from Heaven!  
In Judgment will thy victim rise  
Remorse! Despair be thine!  
Oh! "mercy, mercy!" Justice cries  
The "Mino! Siberia's Mino!"  
There is who will revenge his wrongs,  
A King of kings can banish thee!  
Turn, while 'tis time, let myriad tongues  
Proclaim the *brave Sangusko* free.

Yours truly, S. W. A.

THE FAR-FAMED MEDICINE.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs.  
I am, Sir, your obedient Servant,

A PERMANENT CURE OF A DISABLED LIVER OF MANY YEARS' STANDING.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.

DEAR SIR.—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints, I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver, and digestive organs, her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and she declares that your Pills have been the means of saving her life.  
I remain, Dear Sir, yours truly,  
(Signed) J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from W. Moon, of the Square, Winchester.

To Professor Holloway.

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever; and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the institution afforded, all of which proved of no avail, and I came out no better than when I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.  
I am, Sir, your obliged Servant,  
(Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goole, dated February 14th, 1835.

To Professor Holloway.

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicine. CAPTAIN JACKSON, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel came necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.  
I am, Sir, yours respectfully,  
(Signed) G. BRIGGS.

These celebrated Pills are wonderfully efficacious in the following complaints.
