The Thirty-Fifth Annual Meeting of the Canadian Medical Association was held in the City of Montreal on the 16th, 17th and 18th of September, under the presidency of Dr. Francis J. Shepherd:

As an evidence of the great success which attended this meeting, the fact that more physicians registered on the first day than on any other previous first day speaks volumes.

At the Morning General Session of the first day a resolution of regret at the recent death of Professor Virchow, which was at the same time one of appreciation for the great work of this eminent pathologist, was proposed by Professor Adami; seconded by Dr. Gardner, Montreal, and carried unanimously.

The meeting divided into sections, Dr. McPhedran, Toronto, taking the chair at the Medical Session, while Dr. O. M. Jones, Victoria, B. C., looked after the Surgical Section.

MEDICAL SECTION.

The Forenoon of First Day.

LIVING CASE, SPLENIC ANAEMIA.

Dr. H. A. Lafleur, Montreal, presented patient, a man in middle life. There was a tumour, a movable mass, about midway between the lower ribs on the left side and the crest of the ilium, with pulsation, but not expansile, over the tumour. The first blood count, made in March, showed 75 per cent. haemoglobin, the red corpuscles 5,000,000; the
