

CARTER'S FOUNTAIN PEN FLUID

is superior to ordinary writing fluids for Fountain Pens. Made of the best materials, it is carefully filtered and put up in the most convenient and attractive bottles. The twenty-five cent package, No. 242, with a new label and improved stopper and filler, is the most practical and best selling package on the market. The No. 517, for travellers' use, is also a winner. It has a large bottle holding 2 oz. and a filler that takes up all the ink.

The game of HALMA

is ever to the fore. We have been making the game for years making it now in the same reliable way as in the past. If you have never sold HALMA you will find that it is worth your while to do so. HALMA is made in three styles: No. 1, \$1.20 per doz; No. 2, \$2.00 per doz; No. 3, \$3.00 per doz. (No. 3 has better boards and will, therefore, last a great deal longer.)

Halma should be sold in your store.
