EMPHATIC GUARANTEES.

Which are Justified by an Extraordinary Public Experience.

TO THE FUBLIC:

Having branch houses and laboratories in seven different quarters, and therefore having a world-wide experience, we, H. H. Warner & Co., justify ourselves in making the following statements:

OUR THEORY PROVED.

First.—For the past decade we have held that 93 per cent. of diseases originate in the kidneys which introduce uric acid into the system, a poison that is injurious to every organ, attacking and destroying first the organs which are weakest. We have also held that if the kidneys are kept in perfect health most of the ordinary ailments will be prevented, or, if contracted, cured. Other practitioners have held that extreme kidney disease was incurable. We have proof to the contrary, however, in hundreds of thousands of cases in every section of the globe. Warner's Safe Cure is the greatest specific known. Its reputation is established everywhere, and its influence surpasses all other medicines.

HOW DISEASE CREEPS ON.

Second.—The kidneys being the sewers of the human system, it is impossible to keep the entire system in good working order unless these organs are doing their full duty. Most people do not believe their kidneys are out of order because they never give them any pain. It is a peculiarity of kidney disease that it may long exist without the knowledge of the patient or of the practitioner. It may be suspected if there is any gradual departure increases as age comes on, the kidney poison in the blood gradually undermining and destroying every organ.

SCIENTIFIC SPECIFICS.

Third.—We do not cure every known disease from one bottle. This is an impossibility. Warner's Safe Remedies include seven scientific specifics, each one of which has a specific purpose which the others cannot fully perform.

RECOGNIZED STANDARDS.

Fourth.—Warner's Safe Remedies have been recognized by the doctors and the people all over the globe, even in countries most conservative and most opposed to the manufacture of proprietary medicines, as standards of the highest excellence and worthy the patronage of all people.

STRONG GUARANTEES.

Fifth.—We make the following unqualified guarantees:

GUARANTEE 1.—That Warner's Safe Remedies are pure and harmless.

GUARANTEE 2.—That the testimonials

GUARANTEE 2.—That the testimonials used by us are genuine, and so far as we know, absolutely true. We will forfeit \$5,coo for proof to the contrary.

coo for proof to the contrary.

GUARANTEE 3.—Warner's Safe Remedies have permanently cured many millions of people whom the doctors have pronounced incurable. People who were cured ten years ago report the cure permanent and completely satisfactory. Warner's Safe Remedies will sustain every claim, if used sufficiently and as directed.

Sixth.—Ask your friends and neighbors

what they think of Warner's Safe Cure. We do not ask you to believe us alone.

YOUR FRIENDS AND NEIGHBORS.

Sevnith.—We were forced into the manufacture of Warner's Safe Remedies in obedience to a vow made by Mr. H. H. Warner that he would, if the remedy now known as Warner's Safe Cure restored him to health, spread its merits before the entire world. In ten years the demand has grown so that laboratories have been established in seven quarters of the globe. Not only is Warner's Safe Cure a scientific specific—it cures when all the doctors fail, thousands of the best of physicians prescribe it regularly, its power over disease is permanent and its reputation is of the most exalted character.
