

**DR. M'LANE'S**  
**CELEBRATED**  
**LIVER PILLS,**  
 FOR THE CURE OF  
**Hepatitis or Liver Complaint,**  
**DYSPEPSIA AND SICK HEADACHE.**

Symptoms of a Diseased Liver.  
**PAIN** in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the liver to have been extensively deranged.

**AGUE AND FEVER.**  
 DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

**BEAUTIFY THE COMPLEXION**  
 By using Murray & Lanman's Florida Water. It is the most healthful and safest of all cosmetics, containing no deleterious ingredients, being prepared solely from the rich floral perfumes of nature, unadulterated by any foreign substance whatever. It is suited for use by the blonde and brunette alike, imparting that beautiful, clear softness to the skin so much admired in the fair sex. By regular use at the toilet it tends to  
**PREVENT AND REMOVE WRINKLES.**  
 the softness of skin produced by its use taking away the natural inclination of the cuticle to form into ridges and furrows. Murray & Lanman's Florida Water is really the most delightful and efficacious of toilet waters, every thing entering into its composition being of the finest quality, and so combined as to secure their best effects. It never changes nor alters, keeping for any length of time, and in any climate, as delicate and fresh as at the moment of its preparation. It is also very extensively used as a dentifrice, on account of the  
**EXQUISITE FRAGRANCE**  
 which it leaves in the mouth. The proportions should be about a tea-spoonful to a glass of pure water. It neutralizes the minute particles of food lodging in the mouth, and which are the prolific cause of decayed teeth, bad breath, and unhealthy, white looking gums. Moreover, by the use of Murray & Lanman's Florida Water the breath is made sweet and pleasant, and the teeth white without any danger of injuring the enamel, a difficulty existing with nearly all the mouth lotions and powders for the teeth. As a general thing, ladies who make any pretensions to refinement desire to have  
**SOFT WHITE HANDS.**  
 We believe that there is nothing will tend more to produce this effect than the constant use of Murray & Lanman's Florida Water mixed with the water in the basin. It removes redness and roughness. The ladies of Cuba and South America were the first to discover the extraordinary virtues of this floral water as a cosmetic, and, after twenty-five years of everyday use, they have decided that it is the only fragrant distillation combining all the requisites for a safe and reliable beautifier of the skin, as well as an exquisitely delicate perfume. Probably the most distinctive feature of Murray & Lanman's Florida Water is its wonderful  
**REFRESHING POWER.**  
 The sense of smell never tires of it, but rather seems to find a more intense enjoyment the longer it is accustomed to its use.  
 As there are counterfeits, always ask for the Florida Water prepared by *Lanman & Kemp*, New York.

**GLASGOW DRUG HALL,**  
 400 NOTRE DAME STREET.

THE undersigned begs to return his grateful acknowledgments to his numerous friends and customers, for their very liberal patronage during the past ten years. He would, at the same time, remark that while yielding to none other in the quality of his Medicines and the care with which they are dispensed, the charges will only be such as are compatible with a first-class article and a fair profit. Being a believer in free trade in Physic, his store will be found equal to the wants of Allopathists, Homoeopaths, Eclectics, Thompsonians, &c., with all the Patent Medicines of the day. As certain interested parties have circulated a rumor crediting him with having an interest in other drug establishments besides his own, he takes this opportunity to say that it is simply untrue. Trusting that the favors of the past will be continued in the future, he remains

**VEGETABLE MEDICINES.**  
 By a species of instinctive feeling, the people of nearly all countries are greatly averse to those medicinal preparations which contain mineral substances amongst their ingredients. And yet, if the question was asked why they objected to this class of medicines, we presume few could give an intelligent answer. Nevertheless, the aversion is well founded.  
 All mineral substances, when taken into the stomach, are cumulative in their nature—that is to say, they remain either partly or wholly in the system and accumulate with each additional dose, until in many cases the result is death. For example, arsenic, although known to be a deadly poison, yet in certain parts of Switzerland is extensively used by the mountain guides as a means of giving them, vulgarly speaking 'long wind.' But although it is thus beneficial for a time, the ultimate result is always death.  
 It therefore becomes evident that the popular dislike to mineral medicines is well founded, and it is doubtless in a great measure to the entire absence of any mineral substance that the wonderful success of

**BRISTOL'S SARSAPARILLA**

in this country is to be ascribed. It is prepared from the best quality of the Sarsaparilla Root, with which are combined other cleansing, purifying, and healing roots, barks, leaves, and balsamic gums—the whole, without doubt, making the best depurative and most valuable medicine known to the faculty. The preparation of this great remedy is carried on under the personal supervision of the most scientific chemists and pharmacologists, and none but the choicest ingredients are ever allowed to enter into its composition. The result is, that its action is always uniform and reliable. Its effects upon the  
**BLOOD AND HUMORS**  
 is to purge and purify them of every atom of disease, and to instil into the general system a degree of vigorous, natural life, that enables even the weakly and fragile to throw off and resist the attacks of disease. All old sores and eruptions of a scrofulous or syphilitic nature, all ulcersous diseases, Salt Rheum, Carbuncles, Boils, Blotches, or Pimples are  
**SWIFTLY HEADED**  
 and removed, and a new elasticity and vigor given to the body that is indeed most agreeable.

In every case when there is reason to suspect the blood and humors of being impure or vitiated from whatever cause, Bristol's Vegetable Sugar-coated Pills should be used in conjunction with the Sarsaparilla, as they carry off the depraved matter, and a complete cure more speedily ensues.

**GRAY'S**  
**SYRUP OF RED SPRUCE GUM.**  
 This Syrup is highly recommended for Coughs, Colds, Asthma, Bronchial and Throat Affections.  
 RED SPRUCE GUM has always been held in high estimation by the Natives of Canada, and was at one time in great repute, for Pulmonary Affections. Like a great many of our household remedies, its use was derived from the Indians who had the greatest faith in its virtues.  
 It has been customary to dissolve the Gum in High Wines and then take it mixed with a little water; but the quantity of High Wines swallowed in order to obtain any appreciable effect, is so large that it entirely destroys the Balsamic and Soothing effects characteristic of the Gum. In the above preparation it is offered, to the appreciation of the public, in the form of a delicious Syrup, with all the properties of the Gum preserved.
