THE TRUE WITNESS AND CATHOLIC CHRONICLE ____ APRIL 9, 1875.

DR. M'LANE'S CELEBRATED

LIVER PILLS,

FOR THE CURE OF Hepatitis or Liver Complaint. DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge f of the ribs, increases on pressure; someimes the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mis. taken for a rheumatism in the arm. S The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it - In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, opreparatory to, or after taking Quinine. We would advise all who are afflicted with Whis disease to give them a FAIR TRIAL.

Address, REV. C. VINCENT. President of the College,

Toronto, March 1, 1872

DE LA SALLE INSTITUTE Nos. 18, 20 & 22 Duke Street. TOBONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un

der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorito resort to students. The spacious building of the Bank-now adapted to educational purposes-the ample and well-devised play grounds and the ever-refreshing breezes from great Ontarlo all concur in making "De La Salle Institute" what-ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christ ian Brothers will now be better able to promote the physical, moral and intelectual .development of th students committed to tleir care

The system of government is mild and paternal yet firm in enforcing the observance of established discipline.

No student will be reained whose manners and merals are not satisfactory : students of all denominations are admitted.

The Academic Year commences on the first Monday in September. and ends in the beginning of July.

CONFOUNDED QUACKS

Rheumatism and Gout have heretofore been con. sidered by the ordinary practising physicians as incurable diseases, and the query has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail, -their long and tedious course of study-if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of in. vestigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty. How often genius has been curbed in its flights of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors for no reason whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the

Diamond Rheumatic Cure.

for his high standing in the profession, and the learning and science of an able mind, quickly com. pelled the casson to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course the use of the DIAMOND RHEUMATIC CURE, with. out the aid of a physician, is a saving in fees to the sufferer, but the really consciention physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

READ WHAT THE PEOPLE SAY.

MONTREAL, 21st March, 1871. Messre. Devins & Bolton :

Dear Sirs-I with pleasure concede to the Agents wish that I give my endorsation to the immediate relief I experienced from a few dos s of Dr. Miller's Diamond Rheumatic Cure, having been a sufferer from the effects of Bheumatism, I am now after tak. ing two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it advisable to do so.

I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P.

MONTREAL, 17th March, 1874.

Messes. DEVINS & BOLTON : Gentlemen-I have suffered much with rheumstism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Law. rence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the "Dismond Rheumatic Cure."

JAMES GALLAGHEB, 58 Juror Street, Corner of Hermine. A BLESSING TO THE POLICE.

MONTREAL, 18th June, 1874. DEVINE & BOLTON :

Gentlemen-Having been one of the many martyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIA-MOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I bould hardly walk with the help of a stick. I comad remedy, following t menced the Diamo tions carefully,--relief came immediately with the first bottle; improved rapidly with the second, and completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relief, and sympathise with my fellow-sufferers from Rheumatism.
