

DR. M'LANE'S WORM SPECIFIC, VERMIFUGE.

SYMPTOMS OF WORMS.

THE countenance is pale and leaden-colored, with occasional flushes, or a circumscribed spot on one or both cheeks; the eyes become dull; the pupils dilated; an arc semicircle runs along the lower eyelid; the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional headache, with humming or throbbing of the ears; an unusual secretion of saliva; slimy or furred tongue; breath very foul, particularly in the morning; appetite variable, sometimes voracious, with a gnawing sensation of the stomach, at others, entirely gone; fleeting pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy; not unfrequently tinged with blood; belly swollen and hard; urine turbid; respiration occasionally difficult, and accompanied by hiccup; cough sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; temper variable, but generally irritable, &c.

Whenever the above symptoms are found to exist, DR. M'LANE'S VERMIFUGE Will certainly effect a cure. Universal success which has attended the administration of this preparation has been such as to warrant us in pledging ourselves to the public to RETURN THE MONEY in every instance where it should prove ineffectual: "providing the symptoms at tending the sickness of the child or adult should warrant the supposition of worms being the cause." In all cases the Medicine to be given IN STRICT ACCORDANCE WITH THE DIRECTIONS.

We pledge ourselves to the public, that M'LANE'S Vermifuge DOES NOT CONTAIN MERCURY in any form; and that it is an innocent preparation, not capable of doing the slightest injury to the most tender infant.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised playgrounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal, yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory; students of all denominations are admitted.

The Academic Year commences on the first Monday in September, and ends in the beginning of July.

FITS!

FITS! FITS! FITS!

CURE OF EPILEPSY, OR FALLING FITS. HANCE'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following testimonial will be read by all the afflicted: "I have in every respect true, and should they be read by any one who is not afflicted himself, it will be a friend who is a sufferer, to will do a humane act by cutting this out and sending it to him."

A MOST REMARKABLE CURE. PHILADELPHIA, June 28th, 1867.

SERRA HANCE, Baltimore, Md.—Dear Sir: I send you this advertisement I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but he refused to give me any good effect. I again returned to my family physician, who prescribed a course of medicine, but it was generally attended without any preliminary symptoms. I had from two to five fits a day, at intervals of two weeks. I was unable to attend to my business, and fell wherever I would go, or whenever I was occupied with my studies. I was so severely injured several times from the falls, that I was affected so much that I was unable to attend to my business, and I consider that your Epileptic Pills cured me. In February, 1864, I commenced using your Pills, and in four weeks I was entirely cured. The last one was April 6th, 1865, and they were a most remarkable cure. I have since used your Pills, and they have cured me of a most distressing affliction. I think that the Pills and their good effects should be made known every where, that persons who are afflicted with this disease may be benefited. Any person wishing further information can obtain it by calling at my residence, No. 530 North Third St., Philadelphia, Pa. W. H. HANCE.

Ayer's Cathartic Pills.

For all the purposes of a Family Physic, and for curing Constiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Rheumatism, Dropsy, Biliousness, and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood, Are the most effective and congenial purgative ever discovered. They are mild, but effective in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these PILLS may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
