DANGEROUS SUPPURATION.—Extensive abscesses are dangerous; but many of the methods of cure are more dangerous than the malady. They must not be suppressed by external applications. BRISTOL'S SARSAPARILLA the most harmless of all depuratives, yet the most irresistible, soon purges from the blood the poison which generates the disease. It is the same with carbuncle, which is an exaggerated and virulent species of boil, and generally denotes a weakened constitution. BRISTOL'S SARSAPARILLA, the great vegetable tonic and detergent, is the one thing needed in carbuncular as in all other ulcerous disorders. BRISTOL'S VEGETABLE PILLS used at same time in moderate doses, will tend to allay feverish symptoms, and will carry off through the bowels the morbid matter set free by the Sarsaparilla, thus facilitating and hastening a complete cure.

LECHO DE LA FRANCE.

Revue Ettrangere de Science et de Litterature.

Pluribus unum. Made up of every creature's best. Realizer le bien et contempler le beau.

The object of this Publication is to reproduce, in convenient form, the choice extracts which are now spread out in Reviews, Newspapers and Periodicals published in Europe, and particularly in France, as is indicated by our title, and to furnish this valuable collection to the Public of Canada, at a very moderate price.

It is believed there is in Canada a vacancy for such a Publication; and that a compilation affording a collection of the literary beauties and discussions of many subjects, which now appear in the Old World in the French tongue, would be acceptable as well to the English as French speaking portions of our population.

Certainly to all that part of the English speaking population to whom it is an object to cultivate acquaintance with the French language, or the polite literature of France, the projected publication will be in an especial manner valuable.

We purpose to give to our Review as wide a latitude as possible (even to affording to Romance a small space), and to furnish extracts from the speeches and writings of the Thiers, the Berryers, the Montalemberts, of Pere Felix, of Kolb-Bernard, Monseigneur Dupanloup, Michel Chevalier, Vuilliot, De Lagueronniere, &c. &c., also sometimes from Figaro, and the Charivari. It will thus be

Various, that the mind Of desultory men, studious of change And pleased with novelty, may be indulged.

Young people especially will find it very advantageous in their studies of the French language, as it will give them the best and safest illustrations of what they learn, adorning at the same time their memory and intelligence with some of the best productions in the world. And we can repeat that it will be the most desirable means of initiating French Scholars into the beauties of the diplomatic tongue of Europe.

LECHO DE LA FRANCE is published fortnightly and contains 64 pages—forming three vols. of over five hundred pages each at the end of the year.

Terms, \$4 per annum—apply, (if by letter post-paid), to Louis Ricard, Editor, Montreal, C.B. Subscriptions to the above will also be received at the True Witness Office.

"LET ME LIVE AND DIE AMONG FLOWERS," said an enthusiastic Italian. This might be difficult, for few of us can live always among the roses. It is possible, however, to breathe a floral atmosphere even in a flowerless land. No tropic bloom exhales a more exalted odor than that which Chemistry has exchanged to each drop of MURRAY & LANMAN'S FLORIDA WATER. Every bottle of it is a fragrant nosegay, which cannot be blighted, and whose delicious aroma knows neither change nor decay.—Flowers, the sweet censers of Nature's temple, are but transient things, but their fragrance, as concentrated in this exquisite toilet-water, is not for a day but for all time.

Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. 523 Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

WHY ARE BRISTOL'S SUGAR-COATED PILLS A POPULAR MEDICINE?—Because they relieve the bowels, tone the stomach, regulate the liver, and promote the general vigor of the system, without causing pain. Because their action is not followed by increased constipation, and the necessity for larger doses. Because they are a safe cathartic for the weakest, as well as active enough to relax the constipated passages in the strongest. Because they create an appetite and revive the mental energies. Because they never produce tenesmus, but act like a healing balm on the irritated membranes of the stomach and intestines. Because no mineral ingredients pollute the pure vegetable, antibilious, and aperient substances of which they are composed. Because they act in harmony with nature, and without violence. Because no human being who ever used them has been disappointed in the effects. And, finally, because they are a family medicine, for which there is no substitute.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills. 435

A DOWN TOWN MERCHANT, Having passed several sleepless nights, disturbed by the agonies and cries of a suffering child, and becoming convinced that Mrs. Winslow's Soothing Syrup was just the article needed, procured a supply for the child. On reaching home, and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homoeopathy. That night the child passed in suffering, and the parents without sleep. Returning home the day following, the father found the baby still worse; and while contemplating another sleepless night, the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered a portion of the Soothing Syrup to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and happy. The mother was delighted with the sudden and wonderful change, and although at first offended at the deception practised upon her, has continued to use the Syrup, and suffering, crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby, and overcome the prejudices of the mother. Sold by all Druggists. 25 cents a bottle. September, 1866. 2m

It can be obtained everywhere at one dollar per bottle. SARATOGA SPRING WATER, sold by all Druggists.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his oboastic "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing disfiguring the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer. SARATOGA SPRING WATER, sold by all Druggists.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The pain was unbearable. The Mexican Mustang Linctum relieved the pain almost immediately. It healed rapidly, and left very little scar. Chas. Foster, 420 Broad St., Philada." This is merely a sample of what the Mustang Linctum will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, spavins, etc., either upon man or beast.

Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signatures of G. W. Westbrook, Chemist, and the private stamp of DEMAS BARNES & Co., New York. SARATOGA SPRING WATER, sold by all Druggists.

WHAT DID I DO?—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a ruddy, flushed face, she had a soft, rosy complexion, or almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagen's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes deaden and injure the hair. Heimstreet's is not a dye, but is certain in its results, promotes its growth, and is a beautiful Hair Dressing. Price 50 cents and \$1. Sold by all dealers. SARATOGA SPRING WATER, sold by all Druggists.
