

BOVRIL

BOVRIL IS NOT merely a meat extract containing only the extractive or stimulating properties of meat, but

BOVRIL IS the extractive constituents of Beef, and Beef itself, combined by a special process, producing a strengthening, stimulating and life-sustaining preparation, which is suitable to all, from the Invalid to the Athlete.

MANUFACTURED BY

BOVRIL LIMITED, 30 Farringdon St., London, E.

Canadian Branch, 27 St. Peter St., Montreal.
