"There is No Market for those Securities"

Poor consolation to an investor who in good faith has bought them with surplus earnings, and with the idea that if he required the money at any time he could realize upon them. Thus it is well in selecting securities for investment to purchase those for which there is a ready market. Now, it is nearly as difficult for the inexperienced investor to correctly decide such a matter as it is for the layman to argue his own case, or to successfully carry through some engineering undertaking. He will attempt neither. He will engage a lawyer or an engineer to attend to such matters for him. Investing money successfully is a business in itself. Consult an investment house when you have funds available for this purpose.

Don't hesitate to talk over your investment with us. You will place yourself under no obligation in doing so.
