Life Assurance Company of Canada

Head Office,

MONTREAL

Notwithstanding the financial depression of the year 1823 it was the most successful in the history of this progressive company. The New Business completed is greater than that secure 1 by any other Canadian company in one year, and must be gratifying to policyholders and directors alike.

Substantial increases have been made in New Business, Total Business in Force, Income and Assets.

The prosperous condition of the 'un Life of Canada is doubtless due to its fair treatment of policyholders, its unconditional policy and prompt payment of death claims.
