

The Investor

In the Permanent Stock of The Standard Loan Company is relieved from the labor and responsibility connected with an ordinary mortgage loan, where it is necessary to examine into the title, abstract, taxes, insurance, etc., and to further know that his security will not become impaired later, by reason of any future unpaid regular or special taxes or insurance premiums. The stock is as safe as a Government Bond and as remunerative as any safe investment can possibly be. Shares \$100 each at par—the issue is limited. Write for particulars.
