WATSON, ARMINGTON & CO., PUBLIC CONFIDENCE

Securely is of priceless value to a store. It is the main spring of success, and attracts a patronage (not spasmodic) but steady and continuous. We think we have won the confidence and favor of the people of Winnipeg in our effort to supply them with judiciously selected merchandise, desirable and reliable in character, which we always sell at prices less than are often quoted on goods of questionable age and style.

When we think a reduction of prices necessary to move certain merchandise quickly, we take the loss cheerfully and consider the advertising gained through the low prices our profit.

We have made some of these reductions in the different departments and will continue it for two weeks only. It will be your loss if you do not avail yourself of this Golden Opportunity.

Our stock is full of novelties for the holidays. Another lot of silks for evening wear just in, and at rock bottom prices.

NOTICE.

Squatters Upon School Lands in Manitoba.

NOTICE is hereby given that under the Act of the Parliament of Canada 56 Victoria chapter 18, passed in the year 1892, it is provided that certain persons therein named, who were in bona fide occupation of school lands prior to the 1st of January, 1880, and who have since that date continued to occupy and cultivate such lands in accordance with the requirements of the homestead provisions of the Dominion Lands Act, should be permitted to make homestead entry therefor. It is alleged, however, that the persons named do not intend to make such entry, and are entitled to the same consideration, and this notice is therefore given, calling upon all persons who were residing upon school lands within the Province of Manitoba prior to the 1st of January, 1880, and have since continued to occupy and cultivate such lands in accordance with the requirements of the homestead provisions of the Dominion Lands Act, whose names do not appear in the said Act, to file their claims with the Commissioner of Dominion Lands, with the Commissioner of Dominion Lands, on or before the 15th day of March 1895, the intention being to ask for legislation enabling the Department of the Interior to examine and deal with all claims arising out of such occupation as the said Act describes which may be filed in accordance with the terms of this notice on or before the 15th day of March, 1895. By order, JOHN R. HALL, Secretary.

Keep the Works in good order. NORMAN, Ont., January 15, 1890. W. H. COMSTOCK, Brockville, Ont. DEAR SIR--Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?--at first, only a slight difference perceptible in its time-keeping, but wait you a little longer, and the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire work. So it is in human life--a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality. Yours faithfully, H. F. ATWELL.

The Travellers' Safe-Guard. AMAGANUUS POND, N.S., Jan. 27, '90. W. H. COMSTOCK, Brockville, Ont. DEAR SIR--For many years, I have been a firm believer in your "Dr. Morse's Indian Root Pills." Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills. Yours, &c., M. R. McINNES.

A valuable Article sells well. BORACHOIS HARBOR, N.S., Jan. 13, '90. W. H. COMSTOCK, Brockville, Ont. DEAR SIR--This is to certify that I deal in Patent Medicines, including various kinds of Pills. I sell more of the Dr. Morse's Indian Root Pills than of all the others combined. Their sales I and are still increasing. Yours, N. I. NICHOLSON.
