

# CANADA QUARTERLY SURVEY

With the publication of the fourth issue of Canada Quarterly, we feel it is time to consult our readers to determine if the newsletter is fulfilling its purpose: namely, to provide Americans having a professional interest in Canada with information on Canadian

policy, events and trends that they can't readily get elsewhere. We would be grateful if you would take the time to fill out and return the questionnaire below so that we can better gauge your interests. The postage has been pre-paid.
