The German authorities may require that registration in accordance with paragraphs 1 and 1bis of this Article be notified by the authorities of the force to the competent German authorities for their records. Further details, in particular which registration data will be notified, shall be agreed between the German authorities and the authorities of the force.

lquater. Motor vehicles and trailers registered and licensed in accordance with paragraph 1 of this Article, or used by a force in the Federal territory, shall be subject at regular intervals to a technical inspection. The German authorities may require that German inspectors verify whether stations or workshops of the sending States, which carry out technical inspections of private motor vehicles and trailers, are qualified to conduct such inspections. In addition, they may inspect those vehicles there with respect to their roadworthiness. These provisions are without prejudice to the possibility of having vehicles examined or inspected in German inspection facilities in accordance with German regulations."
