RECEIVED  
JAN 15 1964

PROFESSOR J. H. GOLDSTEIN  
DEPARTMENT OF CHEMISTRY  
UNIVERSITY OF CHICAGO  
5800 S. UNIVERSITY AVENUE  
CHICAGO, ILLINOIS 60637

Dear Professor Goldstein:

I have received your letter of January 14, 1964, regarding the manuscript of your paper on the kinetics of the reaction of hydrogen peroxide with hydrogen sulfide. The manuscript is being processed through the normal channels of the Department of Chemistry.

Your paper is being considered for publication in the *Journal of Physical Chemistry*. The Editor of the journal, Professor R. M. Joske, has indicated that your paper is of interest to the readers of the journal and is being accepted for consideration.

The Editor has also indicated that your paper is being accepted for consideration in the *Journal of Physical Chemistry*.

I am sure that your paper will be of great interest to the readers of the journal.

I am sure that your paper will be of great interest to the readers of the journal.

I am sure that your paper will be of great interest to the readers of the journal.

I am sure that your paper will be of great interest to the readers of the journal.

I am sure that your paper will be of great interest to the readers of the journal.

I am sure that your paper will be of great interest to the readers of the journal.
