NAMES OF SHIPS CONTAINING BILGE CLEANING  
SUBSTANCES

Question No. 635—**Mr. Forrestall:**

1. Do any ships or vessels operated by any department or agency of the government contain stocks of bilge cleaning substances which are toxic by themselves or in combination with any petrochemical by-products and, if so, which ones?

2. Has the government made any effort to divert its purchases of bilge cleaning substances from toxic to non-toxic varieties?

3. What has been the dollar value of purchases of bilge cleaning substances by the government in the last measurable twelve month period?

4. Does the government view the continued practice of purchasing bilge cleaning substances that are toxic to marine life when non-toxic varieties are available as being fully compatible with Canada's efforts to achieve a pollution-free marine environment?

Return tabled.
