OTTAWAS EASILY HELD THEIR LEAD

Wanderers Started Badly and Were Outmanoeuvred Thruout - Winners Waited.

MONTREAL, March 14 .- Allowing the Wanderers to wear themselves down in the early stages in their almost superhuman efforts to get on even terms in the N.H.A. championship game here last night, the Ot awas retained sufficient of their four-goal margin to give them the won the final match of the home and home series for the honor by the narrow margin of one goal to nothing. To Donaid smith, a substitute, goes the honor of scoring the only goal of the game. The total on the way hundred of the game. The total on the way hundred of a goals the Red Bands started out amost as nervous wreeks, while the Ottswas, looking much the better of the two, went into the game showing every confidence, as well as a determination to maintain the lead secured by them on their own ice in the mid-week game.

The local players did not start out with the dash and determination that has marked many of their previous easy victories over the senators, and for the first few minutes they showed marked signs of sewilderment as to what style of play to adopt in their attack. Playe that had been well planned during recent practice hours were soon forgotten, and the team became discremined

TORONTO VICTORIAS BACK FROM THE WEST

No Intention of Turning Pro, But May Form a City Hockey League Like Winnipeg.

The Toronto Victorias, suspended champions of the O.H.A. and losers in the recent Allan Cup series in Melville, Man. are back home once more, possibly where and perhaps sadder men. The Ontario Heckey Association takes them back hat the two led they may never again play under the auspices of that august body, instead, as has been stated in the despatches, a city league may be formed in Toronto on the lines of that in Winnipeg, under the protecting wing of the C.A.H.A. At all events the vics, have no liftention of turning pro, and it is the intention of all the players to stick to the harrow path. Nor yet would they take the Shaimrocks place in the N.H.A. If the "owner" offered his franchise for sale.

There was no profit in the trip west, as the Vics bit of the Allan Cup games was bare expense money.

Owing to the mild spell in Winnipeg the game there attracted only 600 people, and the vics took down a sparse siss. Melville is a small place of 3000, and the gate the two nights was about spell, or the two orders and on the ce and he was fair.

Captain Jack Gooch, when spoken to by The World, stated that everybody was preity well satisfied. The first game at Melville socked twice in two minutes. With seven innutes still left the sean all facil men up on the forward line, but they won ked against them, for Melville scored twice in two minutes. Trouble in Amateur Hockey Due to Manager

Sporting Editor World: Sir, when all said and done about the Victoria Allan Cup fuss, how much progress is being made about the real evil that is behind the whole thing? I mean the manager cvil in amateur clubs. What do they want with a manager, and what is his Merville ran up their score, winning the same by 7 to 3.

Capt Gooch said that the Winnipeg same, which they won by 7 to 5, was great. Everybody treated them fine, with the exception perhaps of the official mentioned above, who was too anxious to penalize the visitors. All the boys returned in splendid condition.

In referring to the stand taken by the O.H.A. Captain Jack said: "We were perfectly well aware of the conditions upder which we played, but when we got to Winnipeg the officials of the Canadian Amateur Hockey Association notified us that they had wired to all the other branches of the association, and the O.H.A. was the only one that objected to the paines with Malvile. Four others had agreed, and under these conditions we think we were justified in playing.

"We tried to get exhibition games, for as you know the expenses for a trip like relation to them? Which is also to say, who think an amateur is one whose playing.

"We tried to get exhibition games, for a syou know the expenses for a trip like the one we had are heavy. There was not a team out west outside of Winnipeg and Melville who would play us."

The Victorias have received a telestrain from the Monarchs of Winnipeg asking if it was possible for them to arrange a game some time during the week. Nothing definite has been arranged, however, in this connection, but it is thought that the men are thru with hockey for this season.

Woodhridge and Weston clashed in a blood-thrilling hockey match on Friday might on the Veston hockey cusifion. At the first stages it was anybody's game, but Woodhridge got together and out classed Weston and proved to have a much stronger and faster team, which first strings around Weston. The score was 4 to 1 in favor of Woodbridge.

Weston seniors played Simpson's Mail Order Dept. Lockey team, also on Friday in gat, the score being 9 to 3 in favor of Weston.

ALL STARS OF WEST OUTPLAY THE EAST

Juniors Put Up Cleverest Exhibition to Close Hockey Season at Arena.

The western junior O.H.A. All-Stars three of the Varsity champions, by a 6 to 4 score at the Arena Saturday night. It proved to be about the best exhibition performance of the year, and a fair crowd was on hand to see the youngsters the last hockey of the season. The win for the boys from the wer

was undoubtedly a surprise. In local circles it was figured that a team with Sheldon of the U. of T., and Ferguson of Kingston on the defence, with Watson St. Andrews; Gouinlock and Gamey Strat ton, U. of T., and Carew, Lindsay, on the attack could lick anything on the map under 21 years of age. But after the red shirts got down to it and had

shaken the early hoodoo they were allover the crack line-up presented by the
east.

The castern All-Stars started out at a
clean-up clip. In the second the teams
were just about even up, and in the last
it swung round and the western juniors
ran in four to their opponents none. All
the scoring in the first period was done
before one minute of play. On both occasions Watson broke right away on the
face-off and batted in goals from a
scramble at the nets. Then for half an
hour the westerners played against some
real tough luck; no less than six shots
rebounded from the iron goal posts. It
had to come, tho, and in the last they
kept the play at the blue's end all the
time and got four.

Stars in an All-Star game are hard to
pick. Arbour, Victoria Harbor, on the
defence for the west, is about the cleverest end to end rusher for a junior that
the fans have looked over on the Arena
ice. His last goal of the game got him
a great hand from the crowd. From
behind his own nets he went thru everything and poked it past Hayden. Childs,
the kid wonder goal tender from Woodstock, picked them off from all angles,
while Phillips, London, and Parker,
Hamilton, were the other westerners
above average.

Watson was the big noise for the east.
