MONTREAL, June 28.—The week opened with stock market conditions here unchanged, business continuing dull and price changes nominal. Some buying of Car common furnished the only feature of the morning session, about 170 shares changing hands at 67, or 314 above the last previous sale of a board lot. Stock was offered, however, at 6615 at the close, and there was no bid in the mar-ket. The other war-order stocks were list-less. A little Iron soid at 30 or off 14 More manipulation in National Steel Car shares constituted the bulk of the business on the Toronto Stock Exchange yesterday. "The Car shares are being touted around some brokers' offices for still further advance, and it might be unnecessary to state that old time oper-ators are not taking the balt. Among the listed issues there was no life, and prices, if anything, were easier. The market received no incentive from the New York Exchange, which was wanting in buoyancy. Local investors are asking Wanted to promote a first-class company either industrial, railroad or mining must stand investigation. S.
