### AGED MAN INJURED WHEN HIT BY AUTO

Thomas Kirley, Eighty-Four Years Old, in Hospital in Critical Condition.

### BUILD NEW CLUB HOUSE

No More Than One Battalion Will Winter in Hamilton, Despite Protests.

By a Staff Reporter.

HAMILTON, Ont., Monday, Oct. 4.—Word has been received from military headquarters at Niagara camp to the effect that Major G. H. Williams, formerly pastor of Centenary Methodist Church of this city, who is a chaplain at Niagara camp, has been appointed inspector of recruiting stations in No. 2 divisional area.

### Will Build New Club House.

Steps will be taken immediately to make arrangements for the erection of a new club house for the Royal Hamilton Yacht Club at the Beach. At a meeting of the members held in the Board of Trade rooms Saturday evening it was decided to start operations as soon as the arrangements can be made and a site secured. It was decided to erect the new club house as near as possible to the site of the old building, which will probably be north of the breakwater about 200 feet from the shore.

### Old Man Injured by Auto.

Thomas Kirley, aged 84 years, who is an inmate of the House of Refuge, was knocked down by auto No. 38709 in front of the General Hospital on Barton street east, early last evening and sustained injuries which will probably prove fatal. He suffered a fractured skull, dislocated collar bone and a fractured arm. It is thought he has also sustained internal injuries.

Arrangements have been completed for a three days' campaign to raise \$20,000 for the purpose of remodeling Association Hall, at the corner of James and Jackson streets, so that it can be used as a dormitory in connection with the Central Y. M. C. A.

This evening at 6.15 all the teams will line up full strength at the Y. M. C. A. for a big opening basketball game. The Metropolitan Y. M. C. A. of Toronto, will be the guest of the evening, and will deliver the opening address.

On Tuesday, Wednesday and Thursday the teams will go out in pairs and present the claims of the Young Men's Christian Association to the citizens.

Held Recruiting Meeting. An enthusiastic recruiting meeting was held at Gore Park Saturday evening, when addresses were delivered by a number of recruiting soldiers who told of life on the firing line. Other speakers were: Col. Gwyn of Dundas, Kirwin, Martin, Ald. R. M. Roy and J. W. Sutherland.

Will Visit Body. The local police believe that the body of the woman found near the Don in Toronto on Friday is that of Mrs. Jean Hathaway, formerly of this city. A son and daughter, who reside here, will go to Toronto this morning for the purpose of viewing the body.

Reinforce Battalion. Lieut.-Col. W. J. Macdonnell was in the city on Saturday looking for recruits for the Hamilton Machine Gun Battalion. From the ranks of the Thirtieth and Ninety-first regiments he selected about 50 men who will be sent to the front today morning. In addition the local depot battalion will send to Niagara 125 men to reinforce the Depot Battalion, commanded by Lieut.-Col. W. L. Stewart. These men were selected by Captain Macdonnell and Major W. L. Ross from the ranks of the 2nd Dragoons, which has been quartered on the mountain for the past couple of weeks.

One Battalion For Home. The 86th Machine Gun Battalion will be the only unit to camp in Hamilton this winter. This is the message that the mayor brought back with him from Ottawa. Hamilton is to select a battalion of 30th, 31st and 40th Batteries, but the commanding officers of these units insisted upon going to Toronto, where, it was stated, conditions were much more advanced and where better results would accrue.

Querein For Berlin. Word was received in the city on Saturday that Capt. Guerin of the central fire station was the first to be selected by the fire chief of the City of Berlin. Captain Guerin is well-known in this city, and his loss will be felt by the local department.

Italians For Home. L. P. Scarrone, the Italian consul in this city, stated on Saturday that before the end of October the second Canadian division of two hundred more Italians would go home from Hamilton to their own country. There is still a large number of Italians of a fighting age in this city, and many of them are anxious to get to the front.

SOLDIERS CENTRE OF ATTRACTION AT GALT. Big Crowd Attended the Fair Yesterday Despite Downpour.

Special to The Toronto World. GALT, Ont., Oct. 4.—"A" Company, of the 34th Battalion, with Col. A. G. Oliver and Capt. MacRae, and accompanied by three bands, stretcher bearers and a machine gun section, visited this city today to stimulate recruiting.

The soldiers were the centre of attraction at the fair this afternoon and despite the fact that it rained all day, there was a good attendance.

All of the fair program, with the exception of the speeding events, was carried out and the show was a good one.

CAPT. E. W. HALLAM OF LONDON KILLED IN ACTION. LONDON, Ont., Oct. 1.—Capt. E. W. Hallam of the 15th Battalion, the first officer of the second Canadian division to be killed in action, was local manager of the Continental Life Insurance Co., coming here from Port Arthur a few months before the outbreak of war. He was for a time located at Hamilton. He had seen service in Egypt. Two brothers served at the front and another was killed in action early in the war while serving with a British regiment. Capt. Hallam was 35 years of age. He was an officer in the 7th Fusiliers here and was formerly connected with the 95th Regiment, Port Arthur. His wife resides here.

## WHEAT CONDITIONS PUZZLE TO TRADE

Almost Everybody in Chicago Seeks Cash Grain.

### RECEIPTS IMMENSE

Stocks Increase Only Moderately at Big Milling Centres.

CHICAGO, Oct. 3.—Conditions surrounding the wheat market at Chicago are still very unusual, and the trade is plainly at sea. The heavy movement of wheat has materialized, but its effect on the market has not been depressing to any great extent, and it is clearly demonstrated that cash wheat is wanted by most everybody. Millers need it to fill the big flour orders that they have looked ahead; elevator people want it while liberal quantities are going into exporters' hands.

In the past few days the receipts of wheat at Winnipeg, Duluth and Minneapolis have been immense, but stocks have increased only moderately, and the trade can look for no liberal accumulations for some time yet. The movement of winter wheat continues, and with farmers busy with their fall plowing, the outlook for increased receipts from this source is not very promising.

Weather Conditions Bad. Weather conditions in the Canadian northwest during the past few days have been unfavorable, with considerable rain falling in Manitoba and Saskatchewan and promising a check in threshing and the movement to market. The yields here, as well as in the American spring wheat country, have been phenomenal, and many believe that this will result in an upward revision of crop estimates.

Europe has taken freely of Manitoba Canadian sources has caused further advances in lake freight rates. The number of ocean vessels is also proving to be too small to take care of the business, and, in fact, the scarcity of freight room is checking export business. Rates advanced about 10 per cent last week, and the end is not yet in sight.

Broomfield reports that foreign reserves of wheat are light, and that the native, as well as import, offerings have been disappointing. Millers in Italy are feeling the pinch and are appealing to their government for relief, while France is disarmed with the rule requiring a flour permit to import.

The wheat crop of France is officially estimated at 240,000,000 bushels, about 45,000,000 bushels less than last year, and their import requirements this season are estimated at about 100,000,000 bushels.

Buyers Australian Crops. Great Britain has perfected arrangements with the Australian government whereby sufficient freight room has been secured for the import of supplies.

Interest in the oats market has not been very great of late, and prices have been inclined to follow the wheat. Weather has done much to delay threshing and injure the quality of the oats, and the movement has not been very brisk.

While the percentage of choice oats is still very small, the demand is increasing, and there has been some increase in stocks. Broomfield reports that the English and French crops of oats are smaller than expected, and the market is very tight.

Recent large sales of cash product have stimulated interest in the provision market, and there has been considerable buying of January stuff by investors. The sales of cash product have been very large, and the market is very tight.

Export, and the southern demand is said to be picking up very satisfactorily. It is believed that there are plans for an export of the crop, but the trade looks for a large decrease in stocks this month, and the receipts of live stock are not expected to prove unyielding.

### HOTEL TECK

The efficient management of every department has placed the Hotel Teck in the opinion of the public as the best hotel in the city. Excellent dining-room service.

### MAYOR OF MONTREAL CAUSED EDITOR'S ARREST

MONTREAL, Oct. 3.—Julius Fourrier, editor of the French weekly of this city, was arrested Saturday, charged with criminal libel on the instance of Mayor Mercurio Martin, and he will appear for a preliminary enquiry on Wednesday. He is out on bail of \$1000. The criminal case is the outcome of an article in his paper in connection with alleged offers of an asphalt company to corruptly influence the mayor and some of the members of the city council in favor of a civic awarding of contracts.

### FIRE THREATENED TO WIPE OUT CANVAS CITY

Special to The Toronto World. KINGSTON, Ont., Oct. 1.—Fire from an unknown origin started in a tent occupied by the 10th Canadian Battalion at Bartlettfield camp at an early hour this morning and spread rapidly, threatening to wipe out the entire camp. The fire was quickly extinguished, but it was a close call.

The fire was caused by a candle which had been left burning in a tent. The fire spread rapidly, but it was quickly extinguished by the camp fire team.

The fire was a serious one, but it was quickly extinguished, and no lives were lost. The camp was saved, but the damage was considerable.

### SPEAKERS ENTHUSE A LARGE AUDIENCE

Belmont Theatre Filled to Capacity When Recruiting is Subject.

### TWELVE MEN ENLISTED

District Has Sent Large Proportion of Married Men to War.

The Belmont Theatre, West St. Clair avenue, was packed to capacity at the recruiting meeting held under the auspices of the officers of the 10th Regiment last evening. Aid. Sam Ryding occupied the chair, and the following officers were present: Capt. M. Boehm; Major W. S. Dinick; Major J. H. Harris; Lieut. W. B. Levett; C. V. Y. Coombs; Sgts. W. E. Lees, J. Hill and Pte. P. Kirby; Capt. S. Winslow; Sgt. Oliver; Princess Pat; and Sgt. W. Johnson, 48th Highlanders, returned from the front, were also present.

Ald. Ryding congratulated the people of the district on the number of men who have gone to the front. "The district has done splendidly," he said. "I understand that over one thousand have gone, but I regret that sixty per cent. were married men. I appeal to the women to influence the young men to come forward."

"Every man between the age of 17 and 50 years should enlist either for overseas or for home defense. If the young men do not respond, I am of the opinion that there will be compulsory training."

"It is the duty of every preacher of the gospel to announce from their pulpits that all young men should enlist."

The speaker then turned to Sgt. W. Johnson and staff for the good work done in the St. Clair district.

"I am surprised at the poor response of the young men in Earlscourt," said Major W. S. Dinick. "I know Earlscourt well, and know that it is peopled chiefly with settlers from the old land who have made good since coming to this country."

"You certainly could not, Major," said the speaker. "I know you will make up your minds tonight to join the ranks of the volunteers."

"One point you should remember is that the Canada is not paying the cost of the war. Not near as much as little Belgium, with a population only to Canada, or as much as Serbia."

"The United States is sending 50,000 men home to Belgium," said the speaker. "We are sending our own men to the front. It is our duty and our privilege to participate more than any other land in the world in the property which will cost the lives of our own people."

"I deplore the large percentage of married men over single who have gone from this section," said Capt. M. Boehm. "Young men should not be given this state of things to prevail, but come forward and join the colors."

### HOSPITAL AIDES' PATRIOTIC SALE

Women and Girls' Club Meets Success in Work for Soldiers.

### GOING TO PRISON CAMP

Germans and Austrians Pass Thru on Way to the North.

The Queen's Canadian Hospital Aides held their first patriotic sale at 1685 Dundas street, Saturday afternoon and evening. The girls and women of the district furnished home made baking and assisted every way possible. J. G. Musson kindly donated the most of the goods for the occasion. Their realization of \$50 was unexpected that the club proposes having other such sales through the neighborhood during the next two months and are contemplating the holding of a grand patriotic concert.

The Aides are planning to open a membership to all girls of the city, but the work carried on will be confined almost entirely to the western part. This new organization was commenced last month, and has now 25 members enrolled. In addition to raising funds, the club meets once a week for the purpose of making surgical supplies, which they send direct to the Queen's Canadian Military Hospital, Beachborough Park, Shorncliffe, England.

This hospital, which is exclusively for Canadians, has Canadian nurses and doctors in attendance and was the first to be organized at the outbreak of the war. The purpose of the nursing Canadian wounded. It is supported by voluntary contributions of Canadians in England and Canada.

The voluntary aides who correspond to the probationers in Canadian hospitals are the only ones who are not Canadian, among whom is Sir George Perley's daughter.

The officers of the Aides Club in Toronto are: Honorary president, Mrs. E. M. Des Moines; secretary, Mrs. K. Kells; vice-president, Miss Vera Kirkwood; secretary-treasurer, Miss E. Macdonnell.

Rev. C. L. Burton, traveling evangelist of the Organ-Burton Evangelical Church, who has been holding meetings in the Koele Street Church of Christ, concluded his month's stay last night, when he preached his farewell sermon, using an illustrated chart and choosing as his text, "Heaven's Ladder." He leaves for Illinois tomorrow.

Police Station No. 3 was the scene of great confusion Saturday night, when German and Austrian prisoners were brought here, and were escorted to the G. T. R. station and left on the 10.30 train, in command of Capt. W. L. Taylor, the prison farm in Northern Ontario.

The Keele street firemen received a call from box 42 at 8.20 Saturday morning. Fire commenced from an unknown cause in the shed at the rear of 178 Earlscourt avenue, burning the building and contents, causing \$400 damage.

The resident, Mr. Harris, in an attempt to remove goods was badly burned about the head, but was given first aid by one of the firemen.

St. Mark's Anglican Church, Ford street, held thanksgiving services yesterday, when the interior was suitably decorated with fruits and vegetables. The Rev. A. J. Reid, occupied the pulpit at both the morning and evening services.

FATHER AND DAUGHTER HURT IN ACCIDENT. James White and Girl Probably Seriously Injured When Car Struck Their Buggy.

James White, Third avenue, Fairbank, and his 20-year-old daughter, Mary, were badly seriously injured yesterday when their car was struck by a motor car on the C. P. R. tracks, driving outside the city limits on North Dufferin street, Earlscourt, was hit by a motor car.

Fred Nicholson, the driver of the motor car, lost control of the machine and ran into the White's buggy, throwing the father and daughter into the air.

White was taken to his home by Nicholson, while his daughter was taken to the Western Hospital.

FRUIT FOR SOLDIERS. Hundred and Sixty Quarts Contributed in the Village of Unionville.

In the Village of Unionville on Thursday and Friday afternoon the doors of the local Presbyterian Church were opened for the reception of fruit for those desirous of contributing to the work of the Red Cross Society. While the fact had not been made well known, no less than 160 quarts of preserved fruit were brought in. The work was in charge of Mrs. R. A. Stiver, and associated with her were a number of women who have been especially active in providing necessities and comforts for the soldiers at the front.

### ACTIVE MOVEMENT IN HYDRO CIRCLES

Report Current in Southern Part of County Engineers Are Busy.

### REASON FOR THE DELAY

Appears to Rest With Municipalities and Setback Was Caused.

A report was current in the southern part of the county on Saturday that hydro engineers were in the neighborhood of Agincourt revising the Toronto-Unionville-Port Perry route already practically decided upon, and that some active movement might shortly eventuate. Inquiry at the head office of the hydro failed to confirm this report, but from one in close touch with the whole situation between Toronto and Port Perry, and Toronto and Whitby, it was learned that the representatives from all the municipalities between these two points might, and in all probability would, be summoned to the city within a short time to confer regarding the project.

That the reason for the delay does not rest with the provincial hydro commission, but with the municipalities, seems clear. Incidentally the fact was brought out that the primary cause for the setback was brought about thru the action of the Village of Richmond Hill and the Town of Aurora and Newmarket in throwing down the hydro proposition, blocking for the time being the whole scheme, and making the almost prohibitive rates over the Toronto-Port Perry district.

It had not been for the action of Richmond Hill, Aurora and Newmarket, all the municipalities between Toronto and Markham at least would have tonight been enjoying hydro power," said a prominent hydro official last night.

"And with all their talk about the cheap rates obtained from the Metropolitan, we have given them a more advantageous arrangement and the financial and moral effect upon the other municipalities would have been most encouraging. We could have given Scarborough, Agincourt, Markham, and the other municipalities a rate of one per horse power lower rate over what we would now be able to offer. The hydro is out to benefit the people; the companies are for the shareholders."

The financial situation, too, was quoted by the hydro representative as a factor in delaying action, but it was regarded as probable that the federal government would even at the present time consider the matter very favorably.

ALL COUNTRY ROADS HAD HEAVY TRAFFIC. Thousands of Citizens Took Advantage of Excellent Weather Yesterday to Get Outside.

On all the country roads leading out of the city yesterday the traffic was enormous, and in fact has probably not exceeded during the whole of the summer season. The delightful weather conditions, coupled with the fact that the roads were in fine shape and the traffic was not too heavy, were the factors which induced every man who owned a conveyance of any description to get out in the open. Yonge street, the C. P. R. tracks, and the Toronto and North York street car lines were thronged throughout the afternoon with thousands of city motorists, and the roads leading out to the great northern highway leading into Toronto was in superb shape, the steady stream of traffic having rolled in as smooth as a billiard table.

The Kingston road, too, was thronged, hundreds of motor cars going down as far as Whitby, Pickering, Oshawa and other lake front towns and villages. Dundas street and the Lake Shore road had had their quota, while the cities in the thousands took the roads to the limits of the city, where they enjoyed the delights of wandering along the country roads and lanes. It was one of the few remaining fall days all too rare.

BURNED IN ATTEMPT TO RELEASE HIS DOG. Fire in Earlscourt Causes Damage of Thousand Dollars—Covered by Insurance.

Shortly after 3 o'clock Sunday morning an outbreak of fire, from some unknown cause, occurred in the store and shed at the rear of the residence of W. H. Robinson, 177 Earlscourt avenue, causing damage estimated at \$1000. The premises are partially covered by insurance. Mr. Robinson, who is a member of the 35th Battalion, was home on leave from Niagara Camp and was roused by the smoke. He rushed thru the door to secure a valuable dog and was badly burned on the wrist, hand and face, necessitating medical attendance. The dog was badly burnt and may not survive.

A quantity of valuable tools, together with an electrical cutting machine, was totally destroyed. The brigade from Earlscourt and the fire department were promptly on the scene and by their quick work prevented the flames from spreading to the adjoining property.

MOVED TO NEWMARKET. The head office staff of the Office Specialty Company is being transferred from Toronto to Newmarket, the headquarters of the manufacturing and the office accommodation was rendered necessary by this move.
