

## GUESTS OF THE HANBURY COMPANY.

The Hanbury Manufacturing Company, of Brandon, Man., entertained about one hundred of their friends, many of whom were members of the Western Retail Lumbermen's Association, during the Western Manitoba Fair held in that town August 9 to 12. As the guests of the Hanbury Company, they were courteously cared for at the Empire Hotel, which is one of the finest in the Canadian North-West. On the morning

of the 10th they were entertained at the factory of the company and in the afternoon were taken to the fair grounds by a special train, where their red badges secured them free admission to everything of interest. The following forenoon they were taken to the Brandon Experimental Farm and Indian School, being afterwards delivered at the saw mills of the Hanbury Manufacturing Company, where they saw a complete lumber manufacturing plant in operation. In the afternoon they were again taken to the fair grounds by a special train, where they witnessed the races of the winners at the Dominion Fair at Winnipeg.

The occasion was one of much enjoyment, and all expressed their gratitude to Mr. Hanbury for his kindness and hospitality. The saw mills of the Hanbury Manufacturing Company at Brandon, Man., and Cranbrook, B. C., will manufacture about 25,000,000 feet of lumber this year.
