

them, and Toronto University may thus gain laurels by having enrolled in their list of graduates, persons who may have never heard a lecture within the walls of University College.

While they derive such enormous sums from the State they fail to give such an education as will qualify a man for any of the learned professions, law, medicine or theology. In Queen's College, we have these departments complete. We have a staff of Professors to teach the student, and qualify him for obtaining a degree. We not only have a degree in Law, but we qualify the student to take that degree. We have two Professors of Law, and also a Dean of Faculty, who are well known to you as able men in that profession, who deliver courses of Lectures, so that Queen's College does not confer a paper Degree in a department which she does not teach, but, one which possesses an intrinsic value. We give no degree but to those who are able to take it creditably. As, however, the evening is so far spent, I will just merely move the resolution,

"That this meeting memorialize both Houses of Parliament, in accordance with the resolutions already passed." (Cheers.)

The resolution was seconded by Sheriff Corbett, and carried, with applause.

It was moved by Hon. John Hamilton, seconded by Wm. Ferguson, Esq.,

"That the thanks of this meeting be given to the Mayor, for his conduct in the Chair, on the occasion, and that the proceedings of the meeting be made public through the press." Carried.

The business of the meeting was thus brought to a close, amid great cheering.
