

## ASTHMATIC BRONCHITIS

Of Nine Years Standing Cured by

# THE SIRUP.

---

ST. JOHN, N.B., Aug. 11, 1869.

MR. JAMES I. FELLOWS. *Dear Sir,*—I consider it my duty to inform you of the great benefit I have received from the use of your Compound Sirup of Hypophosphites. I have been, for the last nine years, a great sufferer from bronchitis and asthma; at times so ill for weeks, that I could neither lie down, nor take any nourishment of consequence, and, during the time, suffering intensely. I have had at different times the advice of twenty-two physicians. . . . The least exposure to either damp or draught was sure to result in a severe attack of my disease. Finding no relief from all the medicines I had taken, I concluded to try your Compound Sirup of Hypophosphites, and have great reason to thank God for the result. I have, in all, taken twelve bottles; and now I feel as strong and well as ever I felt in my life, and, for the last year, have not had one moment's sickness; and neither does dampness or draught have the least effect upon me. Were I to write on the subject for hours, I could not say enough in praise of your invaluable Compound Sirup of Hypophosphites, or give an adequate idea of my sufferings.

You are at liberty to make what use you please.
