The images appearing here are the best possible considering the condition and of the original copy and in keeping with filming contract specifications.

Original copies in printed paper covers beginning with the front cover and ending with the last page with a printed or illustration, or the back cover when appropriate. Other original copies are filmed beginning with the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, continuing straight right and top to bottom, as many frames as required. The following diagrams illustrate the method:
