would be hard to make special mentio

T. Hoit, West End, and H. Gledhill, Good Luck, opened the program for the eveling with the first set-to in the 145th. class. This was a fine exhibition, as far as it went. Gledhill injured his hand in the second round and had to stop. Hoit was awarded the decision.

H. Hamilton made snort work of B. Petty in the 105-lb. class, stopping his man in the first round.

Petty in the 105-lb. class, stopping his nan in the first round.

C. Jones, Good Luck, and C. Bell, Strainconas, furnished a good exhibition in the pantam class. Jones, who is a tail angy ad, kept Bell busy until the last round, where he tired. Both were liberally applicated. Bell won the decision.

F. Perrell, Strathconas, won from T. Coin, Don A.C., after three rounds of factions. Terrell had a little the better of it from the start, the John was always willing.

irom the start, tho Jobin was always willing.

P. F. Cross and P. Lovett, two evenly-marched boys, furnished one of the cleverest bouts of the evening. Lovett, who is a pipil of ex-Champion Frank Carroll, had his work cut out for him in beating Cross, who is a game boxer. The bout was stopped by the referee in the third round.

G. H. Jones, who easily won his bout, had no easy time in defeating R. Lang. It took an extra round of two minutes to decide the winner. Jones, who has had more experience than his plucky opponent, was given a close decision, Both were applauded several times for clever work. The first set-to in the 118-lb. extra was a whiriwind-contest. B. Dixon, Toronto Froetball Clab, won a very close decision over J. Prayling, Dom A.C. They were expended in matched and it was anyone's bout up to the very last, when Dixon's heavy but ches told on his opponent.

H. Lang, Dons, outclassed H. Nield Good Luck, in the second bout of the welter-weight class. The referee stopped it in the first round, awarding Lang the deriging.

The crowd were given a treat when T. tolt and H. Tuckwell came together in the ist bout of the 135-lb. flightweight, class oth went at it very fast, landing on each ther several times. It was not till about the end of the last round that Holt landed stiff right to the head which dazed tokwell so that he was unable to control. But the 158-lb. class, W. Newton, Markam, started gamely with a rush at F. aura, who met him with his stiff left, and was all over him in a round. The retree stopped the bout, giving Laura the recision.

The night's program was brought to a close with the second event in the middleweight class. This, like the majority of the bonts, was very keenly contested. S. Rogers, St. Charles, outpointed J. Murphy, West End. The set-to went the limit both finishing very thred. Murphy broke a bone in his hand Thursday night, but did not know it till the fracture was reduced, after last night's bout.

Montreal, Nov. 9.—(Special.)—In the event of the unplayed game of Oct, 13 having any bearing on the intercollegiate championship, McGill must play Toronto in Towa College-Toronto game, played in Otta-wa last Saturday. As Kennedy, the player in question, expressed his regret for the occurrence, on his offering to make an apology, the union decided to let the mat-ter drop, with a warning. Ross was pre-sent in the hotel, and Kennedy there and then made his apology to the satisfaction of the union.

Laird Not a Professional.

The O. R. F. U. executive met at the King Edward last night, with the following members present: President DuMoulin and Ballard, Hamilton; J. P. Carter and W. Slee, Toronto; T. W. McDonagh, Peterboro, and Secretary J. B. Hay.

The chief business was the Gananoque-Kingston protest. Messrs. Shields, Richardson and Russell Britton represented Gananoque, and Chaucer Elliott, Kingston. The protest was based on one Laird, who, Gananoque claimed, played protessional ball. After hearing the evidence, the executive decided that Laird was not a professional, and that the game will stand as played.

J. B. McAuley will be allowed to play junior O.R.F.U. with St. Michaels.

To-Day's Senior Games.

Peterboro—Back, McMillan; half-backs, Easton, Quinlan, Gillesple; quarter, Ford; snap, Hurtubise (captain); wings, McDonald, Crowley, Meagher, O'Connell, Dillon, Crough.

Laura, who met him with his stil left, and was all over him in a round. The referee stopped the bout, giving Laura the decision.

Another clever set to was between J. Lees, Toronto Swimming Club, and H. Lang in the 135-lb. class. This was Lang's second appearance in the ring last night, the he had very little to do in the first. Lees, who is a thick-set boy, had to take as much as he gave and only won out at the very last, he being a little the stronger finisher. This bout was well worth the price of admission alone and shows that in H. Lang the Dons have a coming Jack. Striles.
