Yesterday Was Hackney Championship Day at Madison Square Garden.

est day of the snow on the tanbark, 20 classes being out on the program for judgment.

The morning exercise was devoid of any exciting features, all of the horses taking things philosophically, and there were no uppets. As usual, the early morning attendance was very slim, only a narrow line of 'rail bird' enthusiasts putting in an appearance when the first hackney class came on. Messrs. McMeekin, Gibson and Bloodgood acted as judges. It was the first division of the coveted hackney produce prize for yearling stallions.

"The Futurity of 1896," value \$477,50, was won by Patriot, the handsome son of Cadet and Freedom, owned by A. J. Cassett of Berwyn, Pa.; H. G. and R. Cheney's Flash was second, J. D. Cameron's Donegal third and John Jacob Astor's Comet was given the H.C.

The second division of the prize yearling filles or geldings class came on next. The entrance money of the mares was divided equally between both classes, and the association added \$500 onto each class. In each class the gross value of the stakes, including added money, was divided as follows: Fifty per cent. to the owner of winner of first prize, 20 per cent. to second, 10 per cent. to the ird and the remaining 20 per cent. to the ird and the remaining 20 per cent. to to the breeder of the linner, who in the case of Patriot was Mr. Cassett.

THE DAVIDSON FLYERS.

John Failed to Cut the Amateur Record Hade by Harley, and the Latter Established an Unpaced Record.

Hamilton, Nov. 13.—(Special.)—John Davidson, the Canadian amateur wheelman, to-day made three attempts to lower the Canadian amateur record for the half mile, flying start, paced, held by his brother Harley, who last covered the distance on the local track in 52 4-5 seconds. The track was heavy and unit for fast work. Two trials resulted in 58 seconds, being scored up by the official timekeeper, and in the third-trial the young Torontonian got over the distance in 56% seconds. The fastest quarter was made in 25 seconds, and had there not been a miss pick-up by the triplet, Davidson would unquestionably have smashed the Canadian record in that trial. Davidson will continue his efforts against the watch to-morrow. As a sort of curtain-raiser to-day Harley Davidson rode a quarter unpaced in 26 seconds, with his ordinary street clothes on. This establishes a Canadian professional records to morrow should the track be in good condition.

RECORD TRIALS AT THE WOODBINE.

If the weather is fine Roy Gordon will

The team will be weakened this afternoon. The former's leg does not seem to mend very rapidly. The muscless are still in a strained condition, and he is very stiff. He will do but little playing during the coming week, in order that he may be in shape condition, and he is very stiff. HOFFSTETTER'S GREAT RIDING.

Saratoga, Nov. 13.—The contestants in the six-day bleycle race continue to pile up the miles with seemingly unabated vigor. The contest is totally devoid of interest, it being apparent that Hoffstetter, the Florida champion, will be the winner. The score: 18th hour—Hoffstetter 368 miles 8 laps. Smit; 368 miles, Schock 367 miles, Golden 363 miles 3 laps. Hoffstetter's riding time since Monday night has been 2.53 1-3 per mile.

The following will be the teams for this afternoon, to line up at 2 o'clock on the lawn: afternoon, afternoon, to line up at 2 o'clock on the lawn: afternoon, to line up. A. I.A.C.—Back, McKan; (lawn: afternoon,

The Lornes' management emphatically deny that they will unite with the T.A.C. next fall or with any other organization. On the contrary, they will enter three teams in the three respective series—senior, intermediate and junior. The management claim that many of their players would not join the T.A.C. team. The Lornes are a young lot of players, and they have a record of which they need not be ashamed.
