FRUIT MARKET.

Some of the best informed dealers at the Yonge-street fruit market were canvassed yesterday for opinions on the prospects of the peach and plum crops. It was learned from them that the peach crop, despite assertions to the contrary, would be quite as large as the average. Ferguson of White Bros. told the reporter that in sections the crop was light, but this was compensated for by good heavy crops elsewhere.
"The peach crop is of a medium one and the quality of the fruit coming in now is very fine. I cannot say as much for plum prospects. I estimate that there will be only 50 per cent of the usual crop of this fruit," he said.
Mr. Dawson of Dawson Commission Co. said that the peach crop would be equal to the average, but the better class of plums were rather scarce. The cheap class, selling at 25c per basket, were plentiful and are coming in steadily.
The business done was of small volume, the half holiday accounting for this.

Manitoba flour—Quotations at Toronto

THE SMILE THAT WON'T COME OFF

The farmers throughout the central part of Ontario have every reason to be well satisfied this year, for the crops are good. A World representative, who has just returned from a trip into the country, found many of the farmers busy threshing or getting in their crops. The fall wheat this year in Ontario is good, and in nearly every case is running about forty bushels to the acre, and is of good quality. Other crops are equally as good. One farmer whom The World called on, Mr. Donnelly of Innisfil Township, was busy harvesting on Aug. 16, and is going around with the happy smile. All the farmers, since County are in good spirits these days, and with the high prices that are offering for farm produce, they will be able to lay away a nice little sum of money this year.
