SENSATIONAL RUMOR.

Special Cable to The Toronto World. London, Jan. 17.-Following

Mr. Balfour says in the conclusion that the people of Great Britain do British Admiralty's statement that a not believe that the coming peace will be durable if not based on the success German raider had sunk ten and cap-of the allied cause. For a durable peace three conditions are necessary. These tured two steamers in the South Ator the atheu cause. For a durable peace three conditions are necessary. These tured two steamers in the South At are that existing causes of international unrest should, as far as possible, lantic, there is an unfounded runno be removed or weakened, that the aggressive aims and unscrupulous methods that the raider has, within the pass that the raider has, within the pas of the central powers should fall into disrepute among their own people, and, 48 hours, sunk another British

of the central powers should fall into disrepute among their own people, and, 48 hours, sunk another British mer-that behind international law and behind all treaty arrangements, for the prevention or limitation of hostilities, some form of international sanction in the death of about 400 persons on should be devised, which would give pause to the hardiest aggressor. There-fore, Great Britain has made, is making, and is prepared to make sacrifices of The converted steamer Vinex, it is believed here, is responsible for the sinking of about twenty British and French stowers and schemer find

The effect of Mr. Balfour's note is to make it plain to the understanding French steamers and schooners. This belief is borne out by despatches from Cape Pernambuco, where the Japanese of the president that Great Britain and her allies are resolved to continue the war until they achieve their objects. It is an able presentation of their the war until they achieve their objects. It is an able presentation of their tause and in pure argument it excess anything that the Germans can ever hope to produce. The allies intend not only to make territorial changes in Europe, with the object of removing previous causes of unrest and excessive armsment, but they also intend to punish the German people sufficiently to teach them that aggression does not always pay, to make them abhor militarism, to remove all dangers of the recurrence of another war like this in the present or the next reneration. After every his war it is exceeded to the present of the next reneration.

consul-general here said today that at least 63 Americans were aboard the British steamers Georgic and King George, which sailed from here and which are reported sunk by a German raider. Sixty of the Americans were

In Rumania the Russians have arrived in greater force at last and the raider. Sixty of the Americans were impact of their assault has driven the troops of the enemy from the Village aboard the Georgic, having shipped as of Vadeni, which Berlin had magnified previously into an important town horsemen, firemen or assistant fiv-when the Germans occupied it. The Germans say that Turkish troops were men. Most of them came from New when the Germans occupied it. The Germans say that Turkish troops were men. Most of them came from New withdrawn to main positions in this district when superior Russian forces York. Among those aboard wore Dr. came up and attacked them. This is the German way of breaking the news J. E. Davis, a surgeon of New York, of a considerable reverse. It is convenient to biame the Turkis. Near the and Dr. O. E.
