German Aeroplanes and Zeppelins Drop Bombs in Dvinsk and Schlock Region.

PETROGRAD, via London, Jan. 28, 11.53 p.m.—The official communciation issued by the war office todays says:
"In the region of Riga there was some cannonading. During a bom-bardment of Schlok German aeroplanes, while regulating enemy artillery fire, dropped bombs at several points. In the Plakanan district our artillery scored a number of successes. Several Zeppelins dropped bombs in the region of Dvinsk. Our artillery in the Lake Sventen region dispersed a large German force. The Germans celebrated Empero William's birthday, but no particular animation was observed in their line. "On the middle Stripa there were frequent skirmishes between scouting parties. During the night of Jan. 21-22, one of our armored motor cars dashed up to the enemy's wire entanglements on the Buczacz road opening fire against a large working party. The cars' guard put them to flight in-

flicting heavy losses.
