### Parkdale Collegiate Institute Well Represented in France

More than three hundred young men  
recent students at Parkdale Collegiate  
Institute, are either fighting at the  
front or are training in Canada and  
England. The reading of the honor  
roll at the commencement exercises,

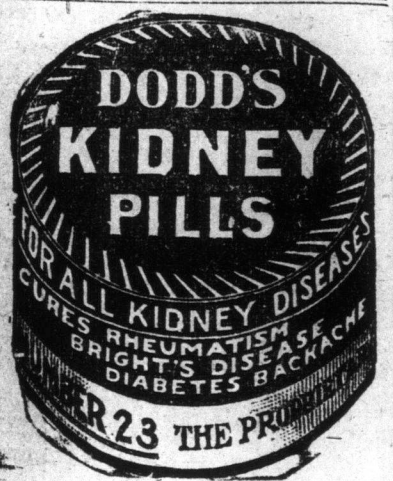

held at the institute yesterday after-  
noon, was without doubt the feature  
of the function. There was something  
inspiring from a patriotic standpoint  
about the whole proceedings, and the  
presentations were made by old boys  
of the school who have returned from  
France.

The athletic prizes were awarded  
by Capt. Bruce Ferris, who wears the  
British Military Medal and the French  
Croix de Guerre, Lieut. Robert Sin-  
clair, home on sick leave and Lieut.  
Douglas Gray. These three men were  
students at the school.

## Severe Headaches And Pains in the Back Resulted From Deranged Kidneys and Constipation of the Bowels.

It is in vain to try to regulate and  
restore the healthful action of the  
kidneys until the liver and bowels are  
set right.

And just here is where so many kid-  
ney medicines fail. Kidney derange-  
ments almost invariably begin with  
constipation and torpidity of the liver.  
The whole work of filtering the blood  
is thrown on the kidneys, and in time  
they fail to stand the strain. The  
poison in the system gives rise to  
severe headaches, pains in the back  
and tired, depressed feelings.

Because they act directly on the  
liver and bowels, as well as on the  
kidneys, Dr. Chase's Kidney-Liver Pills  
are eminently successful in the treat-  
ment of kidney derangements.

Mr. William Loney, Marysville, N.B.,  
writes: "I am glad to recommend Dr.  
Chase's Kidney-Liver Pills to anybody  
who is suffering from kidney trouble  
or constipation. I suffered for a long

time from kidney disease and pains in  
the back, but have found that by using  
your pills I have weak the kidneys and  
bowels are kept in good order, and I  
do not have any more pains in the  
back or head like I used to have. I  
was also a great sufferer from piles,  
and could get no relief until I used  
Dr. Chase's Ointment. This ointment  
is thrown on the kidneys, and we always  
keep both the pills and the ointment  
in the house for use when they are  
needed."

This statement is endorsed by Mr.  
F. Saunders, town marshal, who writes  
that Mr. Loney's letter is true and  
correct.

Dr. Chase's Kidney-Liver Pills, one  
pill a dose, 25 cents a box, all dealers,  
or Edmansons, Bates & Co., Limited,  
Toronto.

Remember that imitations only dis-  
appoint. The genuine bear the por-  
trait and signature of A. W. Chase,

### TO INTEREST CITIZENS IN MARKET GARDENING

Vegetable Growers Would Like  
Assistance From Government  
in Work.

#### HOLD ANNUAL MEETING

Speaker Advocates Simplicity of  
Names and Scores Seed-  
men.

At the evening session of the On-  
tario Vegetable Growers' Association  
in the railway committee room of the  
parliament buildings yesterday mov-  
ing pictures were used to assist the  
address on onion growing by John  
Campbell of Leamington. The pic-  
tures were taken at Mr. Campbell's  
farm by S. C. Johnston, vegetable spe-  
cialist of Toronto.

"Successful Growing of Cabbage,"  
was the subject of a paper by Paul  
Work of Cornell University, Ithaca,  
N.Y. Prof. Work came to Toronto on  
Tuesday, but as the convention was  
postponed on account of the death of  
Hon. J. S. Duff, he was unable to re-  
main, so he left his paper.

Frank Reeves of Humber Bay, was  
in the chair and his annual address  
referred to the death of Mr. Duff, and  
told of the interest the late minister  
of agriculture had always taken in  
the Vegetable Growers' Association.  
Mr. Reeves also referred to the returned  
soldiers, thousands of whom would  
require outdoor work. He suggest-  
ed also suggestions as to the way in  
which the government that gardening would in-  
terest many and that assistance along  
this line be given them.

A. McLean of Brantford, dealt with  
the matter of home grown vegetable  
seed and advised the market garden-  
ers to grow some seed of their own  
specialty at least.

Prof. C. E. Durr of Urbana, Ill., gave  
a paper on the standardization of ve-  
getables, advocating simplicity of ve-  
getable names. He scored the seedmen  
for having several names for the one  
variety. He urged government  
supervision and the establishment of  
different variety types by means of  
photographs and written descriptions.

In discussing Prof. Durr's paper,  
Prof. J. W. Crow of O.A.C., held that  
the commercial growers' seed require-  
ments were only a small fraction of the  
seedman's business and the com-  
mercial growers' needs would be met  
by men who would cater to their re-  
quirements.

S. E. Johnston of Toronto, reported  
successful experiments with the con-  
trol of celery blight by spraying.

In the police court yesterday Dr. Jas-  
C. Beatty, 368 Brunswick avenue, was  
convicted of criminal negligence, and  
sentenced to the jail farm for seven

which occurred on College street,  
on Nov. 22, when Dr. Beatty, while  
driving his motor car, ran into and  
injured John Hurd, George Fallow and  
Peter McGregor. Eye-witnesses testi-
