## ST. PATS RAN UP SCORE ON QUEBEC

**Bulldogs Blew After First  
Period, When They Scored  
Their Goals.**

Quebec, Feb. 25.—Playing their worst game of the season, Quebec went down to defeat at the hands of Toronto 10 to 2.

The local team started out minus Geo. Carey, but even if he had been present there would not have been much difference in the result, for their display tonight was as bad as their game against the Canadiens was good.

The last period started out very slow, Toronto stalling along and skating towards their own goal whenever they got the puck.

Quebec did not seem to play with any spirit at all, and after eight minutes Denny scored for Toronto. Wilson and Noble also added points for the Quebec City team, making the score 3 to 2.

Malone nearly scored on one of Quebec's few attacks on the Toronto goal, but for the greater part of the period Toronto showed their superiority at all departments of the game.

Quebec—Goal, Brophy; point, Munn; cover, Carpenter; centre, Macdonald; right, McCarthy; left, McDonald; subs, Ritchie and McLean.

Toronto—Goal, Mitchell; point, Randall; cover, Hefferman; centre, Wilson; right, Progers; left, Noble; subs, Leach, Dye, Lockhart, Matie, Denny.

Referee—Cooper Smeaton.

## GOOD-BYE, DENTS!

After last night's game the Dents said good-bye to hockey forever. They had offers of games in Boston and Kitchener, declining both. Kitchener wanted to get in some practice, but must look elsewhere. Early in the season the players of the team agreed that this was the last.

## DENTS DEFEATED BY VARSITY TEAM

**U. of T. Six Had Smooth-  
Working Attack That  
Ran in Goals.**

Dents' final appearance as a senior O. H. A. team was not very profitable. The tooth-carpeters took on Varsity at the Arena last night and got the short end of a 6 to 2 score. At that the Dents showed considerable team play.

Gouinlock and Carson were absentees from the Varsity lineup, but the students played rattling good hockey from bell to bell, and easily earned the verdict.

On the attack and the goal-tending of Langry just about broke the Dents' hearts. Dents made a determined effort to get on even terms in the last round, but Langry refused to let into the scheme of things.

Varsity's best effort was in the last period, they attacked with vigor, but found Dents' unbreakable. Olson got the only goal of the period.

The teams:  
Varsity—Goal, Langry; defence, Ramsey, Wright; left, Olson; subs, Dunne and Dents—Goal, Stewart; defence, Shelton, Box; centre, Meekling; right, Smylie; left, Stephenson; subs, Hudson and Brown.

Referee—Steve Vair.

## BRITISH COLUMBIA IS OUT OF CUP GAMES

Vancouver, B.C., Feb. 25.—British Columbia senior hockey teams have withdrawn from the Allan Cup series. The decision has been reached following days of unsatisfactory negotiations and alleged hedging by eastern officials. It is claimed that after dates on which the provincial challenges would play in Calgary had been set by W. Mattheisen of Regina, Trustees Robinson, Wardley, cancelled the dates. Subsequently, it is charged, the games were again scheduled for Calgary. President Chester of the B. C. Amateur Hockey Association succeeded, however, in having the games scheduled for Vancouver, but rejected the proposal that the association guarantee the visiting team's expenses. Following this refusal, the eastern officials again changed the scene of the elimination trials to Calgary.

## ULSTER UNITED HOLD SUCCESSFUL EVENING

Ulster United Football Club secured a successful evening at the Dublin Hall and at the conclusion of a very enjoyable evening, the function as the club's first ever held under the auspices of the club. Forty tables of cures were played, and the contests were close and exciting. A new departure was made by the committee in charge by presenting no less than twelve useful and valuable prizes to the successful competitors. The dance was also well patronized. Mr. Arthur McElroy making an admirable master of ceremonies.

During the evening the chairman of the club, Mr. Tom Holland, thanked those present for their support and extended a hearty invitation to those who had not already become members to do so. Mr. Collins presented the medals sent by the management of the Dunlop Club, now won by the Ulster Club for the second time, and after conveying the greetings and best wishes of the club in the future, and the manager's personal congratulations to the players, which accompanied the medals, which accompanied the medals, which accompanied the medals.

Mr. Holland presented A. Halliwell, the goalkeeper of the club, with a handsome gold watch, and the manager, as a slight recognition of his long and valuable services to the Ulster club, and also for his generous conduct on such a football field, to which Mr. Halliwell suitably replied. Robert Macdonald was also presented with a silver watch by Lennox's model for consistent training during the past season.

## UNITED STATES GOVE CHAMPIONSHIP DATES.

**English Professionals Coming for  
Opening Tourney in  
August.**

New York, Feb. 25.—Dates of the National Golf Championship Tournaments for the coming season were announced here tonight by the executive committee of the United States Golf Association, as follows:

National open, August 10, 11, 12, 13, at Inverness Club, Toledo, Ohio; National amateur, September 6 to 11, at Engineers' Club, Roslyn, L.I.; National women's, October 4 to 9, at Mayfield Club, Cleveland, O.

No radical changes were made in the manner of playing the open championship, it was announced, and the competition will extend over a period of four days, instead of three, and the entire field will play an eighteen-hole qualifying round on the first day preceding the championship proper. The players making the 64 best scores and ties on the first day will proceed on a 72-hole circuit for the title. The qualifying scores will not count, but will merely qualify the contestants for the championship proper.

In getting back the open championship nearly two months provision is apparently made for the participation of foreign golfers, particularly the English professionals who are expected to invade this country during the coming season. Last year the open was staged about the middle of June and the amateur championship two months later. The women's championship in 1920 is to be staged about a week later than in 1919.

These dates fit in well with the English championship tournaments, in which it is expected there will be an unusual entry of American players. The British open will begin June 1 and the amateur on June 28. These dates are sufficiently early to permit the return and practice of the American golfers, with such English amateurs and professionals as may wish to try for American titles.

MURPHY SUIT POSTPONED.

Chicago, Feb. 25.—Hearing for the injunction against the transfer of the National Baseball League, brought by Charles W. Murphy, former baseball magnate, was postponed until March 8. The injunction petition asks that members of the National League be restrained from proceeding with the sale of the league to the Federal League.

Murphy alleges that \$1,000,000 is due him for rental fees of the old National League ball park here from 1914 until 1918. He claims the league broke its contract with him when it moved its home to the old Federal League grounds.
