

NOVA SCOTIA (13) ALMANACK.

If now in beaded rows drops deck the spray,
While Phœbus grants a momentary ray,
Let but a cloud's broad shadow intervene,
And stiffen'd into gems the drops are seen ;
And down the furrow'd oak's broad southern side
Streams of dissolving rime no longer glide.

PHASES OF THE MOON FOR JANUARY, 1838.

- ☾ First Quarter 3d day, 2d h. 29 m. morning.
