A GOOD PROGRAMME OF MOVING PICTURES

Usual Large Crowds Attend Monday Performance at the Nickel.

The usual large and thoroughly satisfied Monday crowds saw the Nickel's new pictures yesterday afternoon and evening, and it is safe to assume the advertisement thus sent broadcast in the hundreds of families will fill the big playhouse the remainder of the run of the programme. Though the 12 o'clock performance started out in the four sets of pictures the succeeding shows had only the usual three, as the management decided to withdraw the Magic Film, which was considered a trifle too advanced for youthful patrons. This act proved the policy of the house, which calls for the purest and least suggestive form of entertainment, and will doubtless be appreciated by the hundreds of parents who send their little ones to each week's shows.

However, the remainder of the programme-Married For Millions, The Tramp Dog and Two Brave Children-is a big bill in itself and won much favorable comment. Ernest Appleby, one of St. John's most acceptable vocalists, sang the song "Won't You Come Over To My House," most admirably. The regular singer, Mr. Austin, is ill.

I'll stop your pain free. To show you first-before you spend a penny-what my Pain Tablets can do, I will mail you free, a Trial Package of them-Dr. Shoop's Headache Tablets. Neuralgia, Headache, Toothache, Period pains, etc., are due alone to blood congestion. Dr. Shoop's Headache Tablets simply kill pain by coaxing away the unnatural blood pressure. That is all. Address Dr. Shoop, Racine, Wis. Sold by all Druggists.

Quits a number of runners, including several of the fast ones, were on the Victoria grounds last evening after the ball game, getting in trim for Saturday's sports. Members of the Every Day Club finished putting up the wire screen behind the grandstand, and then came to their hall and put up the big stage and curtains for Thursday evening's dramatic entertainment.

J. F. Robertson and W. H. Barnaby left for the south branch of the Oranook yesterday.
