PLEASES LABOR MEN

London, March 18—One phase of the negotiations looking to government control of factories with a view to increasing the output of munitions of war is particularly pleasing to labor leaders. It is the suggestion of the government that it will undertake to guarantee the integrity of labor unions, to insure the success of the project as well as to protect the unions from demoralization after the war.

A GIRL MISSING

Mr. and Mrs. Dennis Collier, who reside on the Niagara road across the river from Moncton, in Albert county, are much alarmed over the sudden disappearance of their pretty seventeen year old daughter, Dorothy, who was employed as a domestic in Moncton, but who has been missing for several days from her employer's house. The parents believe that their daughter may have eloped with a young man with whom she was keeping company. They believe that they have been married and that the young man is keeping her in hiding with relatives in or near Moncton.

Easter

is the great music festival of the year. Without music Easter loses much of its significance. The Victrola brings all the world's wealth of sacred music into your home.

Here are some of the favorite Easter selections on Victor Records:

Angels Ever Bright and Fair Unfold Ye Portals	Lady March 35075 Tribute Chorus 16000
Christ Anse Beautiful Isle of Serenobone	Hayden Quartet 16000 Harold Jarvis 16000
Crosier—With Vespers Chord	Lady March 40095
