

\$800 NEEDED FOR LADY BYNG CAMP

Those in Charge of Under-Nourished Hope Funds Can Be Raised

Miss H. Meiklejohn, director of the St. John Health Centre, estimates that with \$1,200 the Lady Byng camp for under-nourished children can be maintained until September with from 16 to 20 boys and girls in attendance all the time. About \$875 has already been contributed and she is hopeful that the rest can be raised and the work carried on. Several contributions in the form of food and other things have been received and such, when they are necessities, are as valuable as the cash.

Reports from the camp say that the children have made remarkable progress already. The good food, regular and undisturbed hours of sleep, and proper care are having their effect. Many visitors have taken advantage of Miss Meiklejohn's invitation to make a visit to the camp during the last few days. Five more children were taken out to the camp yesterday, bringing the total number in attendance up to 20.

This is the first time that the health camp authorities have adopted permanent quarters and means considerable added expense. Last year only a day camp was run which, although it proved very helpful, the returning of the children to the city at night was bound to offset to a great extent the good that had been done, Miss Meiklejohn said. The new experiment, as was expected, was proving a great success. Many children of this city would be given a new normal and unhampered start in life which they otherwise would not have, she said.

Those in charge of the work express the hope that the required funds can be raised and the full benefit received.

Todd-Rankine.

The marriage of Miss Elsie Moore Rankine, daughter of Mr. and Mrs. Robert Rankine, of Jemseg, Queens county, to Thomas McKay Todd, son of Mr. and Mrs. Thomas Todd, of The Narrows, Queens county, was solemnized Wednesday evening at 7 o'clock in the Fairview Baptist church, the Rev. The bride, who was given in marriage by her father, was prettily gowned in a navy blue polka twill, with hat to match and carried a bouquet of bridal roses. The wedding was attended by immediate members of both families. After the ceremony Mr. and Mrs. Todd left for Fredericton. The groom, who is a cousin of Rev. C. T. GARDEN PARTY IS GREAT SUCCESS

Great success attended the garden party on the St. Peter's grounds yesterday afternoon and last evening. The purpose of the event was to raise funds for the expenses of the grounds, which have been converted into a playground. Rev. Francis W. Hill, C. S. S. I., was in charge of the outing, which was conducted under the auspices of the Catholic Women's League, North End subdivision. Refreshments were served to a large number, the tea tables and booths being very attractively decorated. The men of the parish assisted in making the games go with a swing. Miss Sarah Lynch, president, and Miss M. H. McCloskey, past president, were joint general conveners for the ladies' section of the garden party committee. Mrs. Frank Fitzgerald and Mrs. M. A. Mullin were in charge of the tea tables and Miss N. Harrington and Miss Durkin supervised the ice cream and beverages. Others who assisted were Mrs. Joseph Kennedy, Miss Kennedy, Miss Ena Higgins, Miss Helen Murphy, Miss Marion Murphy, Mrs. Margaret Corkery, Mrs. Joseph P. Quinn, Mrs. William O'Connor, Miss Kathleen Lundy and Miss Genevieve Dever, who is lady supervisor of the playground.

For the games the following men were on duty: Maurice Garvin, Richard Cleary, spindlers; Frank Howard and Edmund Casey, candy booth; William Peterson and Joseph Kennedy, dolls; David Howard and John Harrington, bean board, and Joseph Corkery and Edward Quinn, coin board.

There are now two new tennis courts and these with a croquet court and a shuttle, with other playground features, have made the grounds very much changed in appearance. The management is planning to instal at once another tennis court, so popular has the game become.

ANDOVER CAR IS REPORTED.

The North End police have reported automobile No. 12717 for exceeding the speed limit on the Marsh road last night. The car is owned by a party in Andover, N. B., and it is not likely that the driver will appear in the local police court to answer to the charge.

About 6.30 o'clock those assembled attended an excellent salmon dinner served at a long table placed in the open under spreading trees near the hotel. The repast was well served by Mrs. Belyea and assistants, and was thoroughly enjoyed by all.

At the conclusion of the dinner Captain Brown, of No. 2 Company made a brief address of welcome to the guests, which was followed by happy speeches by Mayor Potts and Commissioners Wignmore, Bullock, Frink and Harding. Lieutenant George Farren, of No. 1 Company, S. C. and P. P., who was present in the unavoidable absence of Captain K. J. MacRae, John Thornton and Harry Ervin, representing the press.

At the conclusion of a game of quoits the party left the picnic grounds and arrived in the city about 10 o'clock delighted with a wonderful outing in the country.

SALVAGE CORPS HAS A HOLIDAY

Annual Picnic Held at Belyea's Point—Council Members Guests.

The annual outing of No. 1 Company Salvage Corps and Fire Police was held yesterday at Belyea's Point on the St. John River, and proved as good as, if not better than any ever held by this organization. The members were all on hand, and with a few invited guests, including the Mayor and members of the Common Council, spent a delightful time during the afternoon and evening. Fourteen automobiles left the fire station on Main street about 2.30 o'clock yesterday afternoon carrying a very happy party of men.

Immediately on arrival at Belyea's Point, the committee in charge had everything arranged for a real day of sport, and the programme was carried out with great success. The baseball game between the Dinkey Hinks, captained by His Worship Mayor F. L. Potts, proved a feature. The teams were made up of Salvage Corps members and guests, while John Thornton, former Commissioner of Public Safety, and a member of No. 2 Salvage Corps Company, was the umpire. There were only two delays in the game. One occurred when a batted ball lodged in the stomach of Commissioner Wignmore, and the game could not proceed until first aid was rendered; the other when the Mayor caught a fly ball in his hat after throwing away his catching glove. The game was won by the Wignmore team by a score of 19 to 2.

Winners of Other Sports.

The winners of other sports were as follows: Broad jump—First, Freeman Hamu, second, C. A. Cunningham. Running race—First, Harry Case; second, F. Hamu. Hop-step-and-jump—First, C. A. Cunningham; second, S. McBeath. Walking race (Common Council)—First, Commissioner Harding; second, Mayor Potts.

100 yards dash—First, F. Hamu; second, Harold Gault. 200 yards dash—First, H. Gault; second, S. McBeath. Tug-of-War—Commissioner Harding's team was defeated by that captained by Commissioner Wignmore. Backward race—First, Commissioner Harding; second, Mayor Potts.

At the conclusion of the sports suitcases were awarded to the winners. About 6.30 o'clock those assembled attended an excellent salmon dinner served at a long table placed in the open under spreading trees near the hotel. The repast was well served by Mrs. Belyea and assistants, and was thoroughly enjoyed by all.

At the conclusion of a game of quoits the party left the picnic grounds and arrived in the city about 10 o'clock delighted with a wonderful outing in the country.

WILL HELP REVIVE BOY SCOUTS HERE

Assistant Chief Commissioner Visits City—Is Shown Around.

That the Boy Scout movement of St. John needed reviving was the opinion of John A. Styles, assistant chief commissioner of the Boy Scouts of Canada, who was a visitor in the city yesterday, coming from Nova Scotia. Formerly there were 600 scouts here; now only half that number. Mr. Styles was accompanied by Harry Lister, field commissioner, and was escorted about the city by Dr. G. B. Peat, district commissioner for St. John. Chief Commissioner Stiles and Mr. Lister have been attending the Boy Scout camp at Stewiacke, N. S. There were 18 picked men in attendance. They reported that the movement in Halifax was very progressive with twice as many members as here. Dr. Peat said yesterday that he expected, with the help of Field Commissioner Lister, to make a big advance in the Boy Scouts in the au-

um. Mr. Lister will come then for a camp for training leaders, similar to that held in March of this year, when the all Canada training camp was held with great success. This would greatly assist Dr. Peat and Dr. L. deV. Chipman, his co-worker in the Boy Scouts, Mr. Stiles said. The Gillwell camp would be opened soon at the Mouth of Keswick for one month, they said. "We made a special arrangement to train two leaders from the Salvation Army, as our 'good turn' for the day," said Mr. Stiles. "These leaders will be for the life saving scouts and will enter the camp on the same conditions as scout masters," he said. Every boy scout does a "good turn" every day, so the heads must do their bit, too," he said. Those going from St. John to the Keswick-Gillwell training camp are L. L. Johnson, R. Edgar Adams, Donald S. Morrissey and Norman G. Smith. A friend of the movement gave money to pay all expenses for two leaders from each province for the All Canada Training Camp that was held in March. P. Watson, of Devon, was one of the boys who took advantage of this course. The commissioners left for Fredericton on the afternoon train to interview workers and stir up interest there.
