

Kiwanians Elect Officers At Quebec

Quebec, Oct. 8.—The Kiwanis Convention embracing the 28 Quebec clubs with 227 delegates in attendance, held in the convention hall of the Chateau Frontenac, on Friday and Saturday, came to a successful termination on Saturday evening by an informal dinner followed by a dance. The majority of the delegates left about midnight for Montreal and their Ontario homes by a special sleeping and compartment train.

On Saturday morning the election of officers took place with the following results:

District Governor, E. G. Tanguay, Quebec; Vice-Governors G. A. Reaney, Kitchener; Blake Halliday, Toronto; J. Woodruff, Pembroke; J. A. Savoy, St. John's, Que. Hamilton was chosen as the next place at which the convention will be held.

The following were chosen as assistants to the governor: W. F. L. Edwards, Hamilton; F. S. Tricaven, Kingston; J. G. Hoag, Montreal; Dewolf Reid, St. John's.

People, Starving, Send Call For Assistance

Quebec, Oct. 8.—"We are starving, send us help in God's Holy Name," was the text of a pathetic appeal of the people of Old Fort Bay, nearly seven hundred miles from this port on the North Shore, just received by Hon. E. Lapointe, Minister of Marine and Fisheries.

In their letter the residents give the reason of their destitute condition to the fact that ice floating into the bay in the spring, destroyed their chance of fishing, by driving the fish out. Fishing is their only means of gaining a livelihood, and this being destroyed, they are left with nothing.

Radio Beats Sun Across Continent

Hartford, Oct. 8.—Amateur radio operators virtually beat the sun across the continent during the recent tests when a message starting at dawn from the east coast reached Los Angeles before the sun appeared above the horizon. Transcontinental communication was completed in one hour and twenty-five minutes with only two relays.

An early start clinched the laurels for D. McR. Parsley, operator of amateur station 4FT at Wilmington, N. C. The average daylight range for amateur transmitting stations is 100 miles and had it not been for the fact that the message beat the sun and passed into the dark belt, it would have required relaying 30 times.

Marburn Wins In Atlantic Race

Quebec, Oct. 8.—The last ocean steamer race of the season culminated Saturday evening when the C. P. Liner Marburn, from Glasgow, and Belfast, docked at 7:30 with 846 passengers, 12 hours ahead of the White Star Dominion Liner Doric.

The Marburn, in command of Capt. A. H. Clews, and the White Star Dominion Liner Doric, both engaged in the Glasgow, Belfast, Quebec and Montreal service, left Belfast on Saturday afternoon, Sept. 29 at 1:30 p.m. for Quebec and Montreal.

There were 137 American and Scotch passengers in the cabin, the latter looked for the United States, besides 44 returning Canadians; new Scotch Canadian settlers and right visitors from Scotland to Canada, while in the third class there were 40 returning Canadians, 880 new Scotch and Irish to settle in Western Canada and 170 booked to settle in the United States.

The White Lily Factory in Moncton is the only biscuit factory in the Maritime Provinces equipped with English travelling gas ovens. This is the only known type of oven that gives an unvarying degree of heat throughout the whole baking process. Only the best results in high-grade biscuits making are attainable with this English type oven, and biscuits so baked are easily recognized from those baked in ordinary reel ovens, the finish and color being much superior. When in Moncton visit the "WHITE LILY FACTORY." Always open for inspection. You will receive a cordial welcome.

His Lordship Was Dining.

(Morning Post, London.)

Lord Shaw of Darnley tells an amusing story of an experience in the old days when the Scottish Beach in Edinburgh were accustomed to dine at four o'clock in the afternoon, then went on till late or early, according to the cases before them. At two o'clock one afternoon a client called on a distinguished lawyer, and was told by the serving-maid that he was at dinner, "At dinner at two o'clock in the afternoon!" exclaimed the visitor, incredulously. "Yes," replied the maid, "but it's yesterday's dinner he's eating the now."

Theatre of the Home "His Master's Voice" Victrola

Instrument Illustrated
Victrola No. 260
\$200.00

On "His Master's Voice"—Victor Double-sided Red Seal Record No. 6129. On the reverse side, Galli-Curci superbly sings "Lucia"—Mad Scene.

To audiences in homes throughout the land, "His Master's Voice" Victrola brings all the entertainment of the world's greatest, most famous artists. Think of it in terms of a great animate theatre—a conservatory of music, through whose welcoming doors your fancy may pass at will.

Based on the same principles which give the human voice or the very finest violin their powers of reproduction—it is the human voice, it is the voice of the violin.

Only the living presence of the artist is missing but even this is overcome, for its performance pictures their personalities in a subtle lifelike something—peculiar alone to this marvelous instrument. Combined with "His Master's Voice" Victor Records—it is the singer and his song.

It were just as unthinkable that any instrument could take its place as that someone ELSE could be a Caruso, someone else could substitute for a Galli-Curci, a McCormack or an Elman.

No voice can take the place of "His Master's Voice". Pay it the homage it deserves. Prevent substitution by demanding that the instrument you buy bears our famous trade mark "His Master's Voice" (under the lid). Years of pleasure will repay you for this caution.

Genuine "His Master's Voice" Victrolas from \$37.50 to \$615.00
