Sweet Nut, the Original and Genuine

When buying Nut Margarine be very sure that you get the original and genuine SWEET NUT.

The name SWEET NUT on the well-known yellow and red oblong package guarantees you a product entirely free from animal fats and preservatives. It is freshly churned from Nuts and Milk and is indistinguishable in taste from ***** at almost double the price.

You can use it instead of ***** for every purpose, to spread on your bread, for table use, and for all forms of cooking, pastry making, frying, etc., where you would ordinarily use the best *****.

The law does not permit us to color it like ***** and it comes to you white, just like the coconut from which it is made, but a few drops of pure vegetable ***** color worked into it will give it the appearance of fresh churned June *****.

MARK TWAIN AN "IMMORTAL"
The report of the official canvass of ballots received from the electors of the Hall of Fame in the fifth quinquennial election was made public in New York the other day by the Senate of the University of the State of New York, dis-

closing that Mark Twain had been placed among the American "Immortals." In the absence of Dr. Robert Underwood Johnson, Ambassador to Italy, the election was in charge of Mrs. William Vanamee, as Acting Director. The names of 177 men were voted for the six following being chosen: Samuel Langhorne Clemens, James Buchanan Eads, Patrick Henry, William Thomas Green Morton, Augustus Saint-Gaudens and Roger Williams. Twenty-seven women were nominated, the successful candidate being Alice Freeman Palmer. Among those who received votes, but not enough to elect, were Noah Webster, Walt Whitman, Edward Everett Hale, John Brown, Henry M. Stanley, John

KILLED IN MOTOR VEHICLES
New York, Nov. 12.—One hundred and seventy-three persons were killed by automobiles in New York state during October, according to a report by the National Highway Protective Society. This was an increase of sixty-nine over October, 1919.

During the last month sixty-seven persons were killed by motor vehicles in New York city. Included in this number were thirty-five children, none more than thirteen years old.

In the state at large the report recorded seven persons killed by trolley cars, five by wagons, and nine in highway grade crossing accidents, while riding in automobiles.
